By symbolism, President Obama publically announces his intentions to be the Ant-Christ: the Muslim Mahdi ('Messiah') who is to wage bloody-beheading-war to exterminate Christians and Jews. (See Bible & Muslim prophecy). Note, Obama holds the Mahdi crown, and is sitting on a throne of Muslim swords. In the foreground sits the Mahdi cross-bow. As depicted in Muslim art and literature, the Mahdi rides a white Arabian stallion brandishing his crown & the traditional cross-bow. The white Arabian horse has become the President's logo; it was purposefully featured front and center above the stage at the Democratic Convention in 2012. Obama had a replica of the Pergamon Alter (as did Hitler) built for his 2008 staged speech-delivery. Pergamon was referred to by Christ in scripture as the place where Satan dwells. Hence a newly coined name for the Alter: "Obama's Seat of Satan". Obama was actually filmed 'leading a crowd 'chant': "Thank You Satan".

This would wipe out coastal nuclear plants in the Gulf, and East coast of the U.S.A. and creating multiple nuclear disasters. ~ kwh

ASTEROID IMPACT EVENT Update DOOMSDAY Proof Is Here

After much further research into this matter, myself and others have concluded that the evidence has really been stacking up over the years. Though we are not getting

The predicted Asteroid Event could be man-made or real—if fake, the Space-X Dragon Rocket , if armed with war-head(s) could simulate an asteroid impact, especially if coupled with a HAARP frequency e-bomb that was targeted on an ocean floor plate to cause a companion Tsunami. The event would be even more convincing if NASA also used a Blue BEAM Holographic ‘fake Asteroid’ sky-projection as well. Compelling evidence of such a plot has been leaked—See “Blue Beam Project, (item number 6 in the “Contents” of this Report). Two Journalists have already paid the ultimate price for their work exposing NASA’s top-secret project. Strong suspicions are that they were targeted by HAARP frequency which is capable of inducing heart attacks—both men had healthy hearts; their deaths were untimely.

Another NASA Scientist Dies! What Did they know, that NASA doesn't Want us to Know?

Note: It is cogent to surmise that the dead NASA Scientists were not going along with the planned treachery—use of NASA technology (in conjunction with HAARP/CERN Earth-weapons and Blue Beam Project) to create 'natural disasters' to bring the United States of America & other nations to their knees. The plan is to elicit multinational disasters & "rescue responses". Emergencies would be the excuse to take control of governments—instatate martial-law , and a NEW WORLD ORDER, where the rich get richer and the rest get the shaft! Bush, Obama and their elitist/ Luciferian friends have been secretly using NASA, & HAARP frequency technology to create natural disasters so to displace populations and confiscate their resources & wealth e.g. the Sumatran tsunami, Hurricane Katrina, & the Japan Tsunami (which resulted in ongoing nuclear meltdowns & radioactive contamination of the Pacific Ocean and entire northern hemisphere). They are drooling over the United States—Obama is in the countdown to spring Jihad on America!

The CERN Large Hadron Collider (LHC) could be responsible for drawing an asteroid that could destroy the planet towards earth, according to theory.

(Note: According to scientific data, the CERN collider at less than full bore affects the ionospheric solar shield; and it creates a magnetic-gravitational pull far greater than that of Planet Earth.

NASA Spots New Asteroid—Possible Close Encounter with Moon Halloween 2015

Note: NASA has recently predicted several Earth close-encounters or impacts from asteroids. Given NASA's “Blue-Beam Project” role in implementing the ‘New World Order’, it is likely that a close or fake encounter would be USED to mask the ‘un-natural disasters’ caused by HAARP---or a combination of HAARP, CERN and possibly the new Space X “Dragon-Rocket” by Tesla entrepreneur-inventor, Elon Musk. In Mythological literature, the dragon has been used to symbolizes Satan—the dragon-logo on NASA's new rocket is fitting for a world-wide Luciferian genocidal operation—NWO/UN Agenda 21! ~KWH

CERN CRACKS Earth's Solar Shield—Huge DANGER!!!

See the colored graphic of Earths “magnetic shield” below.

The colored zones out of circle & the white lines indicate pronounced areas of distortion during the operation of CERN. This distortion--stretching/thinning & ‘cracking’, **allows powerful solar-nuclear radiation to blast into our atmosphere.** Recently, unusual “red Northern Lights” have been seen as far south as Virginia during recent higher-operation levels at CERN. (The Aurora Borealis are normally green, normally seen in far northern regions).

CERN's Potential Killer EFFECTS:

Permanent Weakening of Earth' Solar Shields/Magnetic-Field & consequential increase in **Global Warming**, mutations, and possibly dissipation of Earth's atmosphere—ultimately death of the Planet Earth. Mars was thought to have been living; did it lose its solar shield? K.W.H.

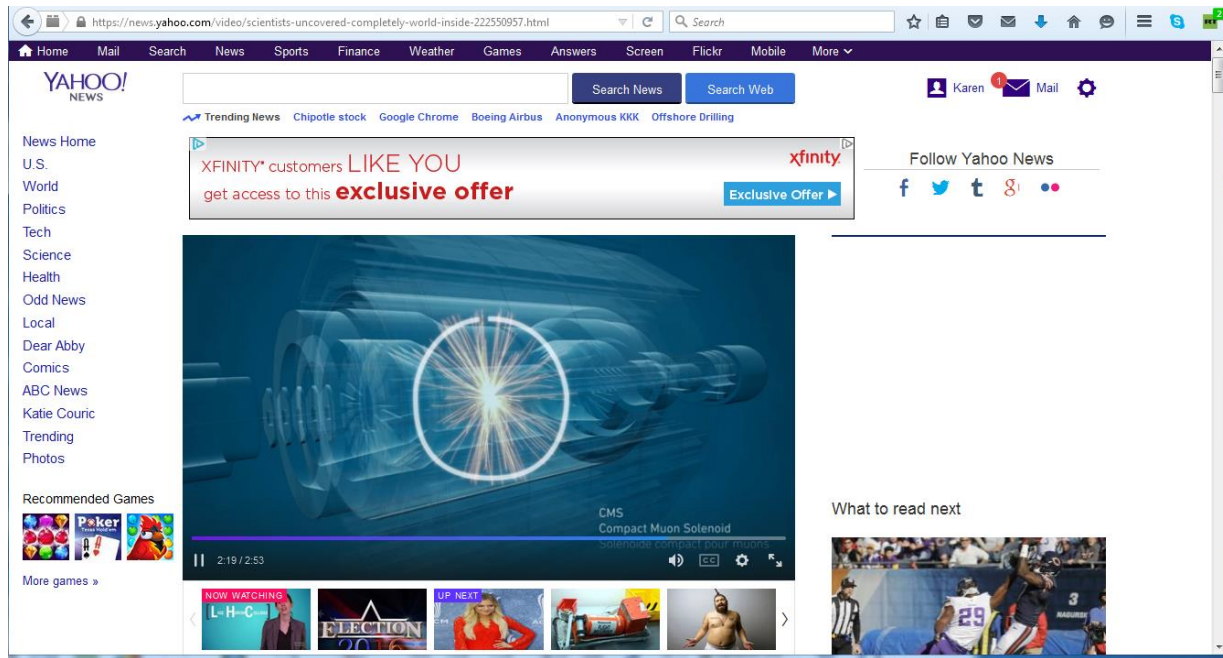

CERN releases great lightening-like bolts of electric discharge--positively charged ions.

Plans in the near-future are to smash lead & gold particles. Gold, being highly conductive, would produce a phenomenon of extra ordinary power—the propagation & release of gazillions of positive ionic-particles into the atmosphere could greatly **magnify the power of lightning, or a "HAARP" e-bomb ATTACK**, making it all the more destructive. **A synched HAARP-CERN attack would likely create a MONSTER Tsunami wave, the likes of which has never been witnessed--all the more a reason for the POSITIVE ION BAN.** **A "POSITIVE ION BAN PROPOSAL" was written by GUY Cramer April 16th, 2004.** The proposal speaks to the **effects of CERN on human biology and mind—i.e. mass chaos & violence.**

How Scientists Uncovered a Completely New World Inside the tunnels of the most powerful machine on Earth:

A peek inside--the physics in a nut shell

<https://news.yahoo.com/video/scientists-uncovered-completely-world-inside-222550957.html>

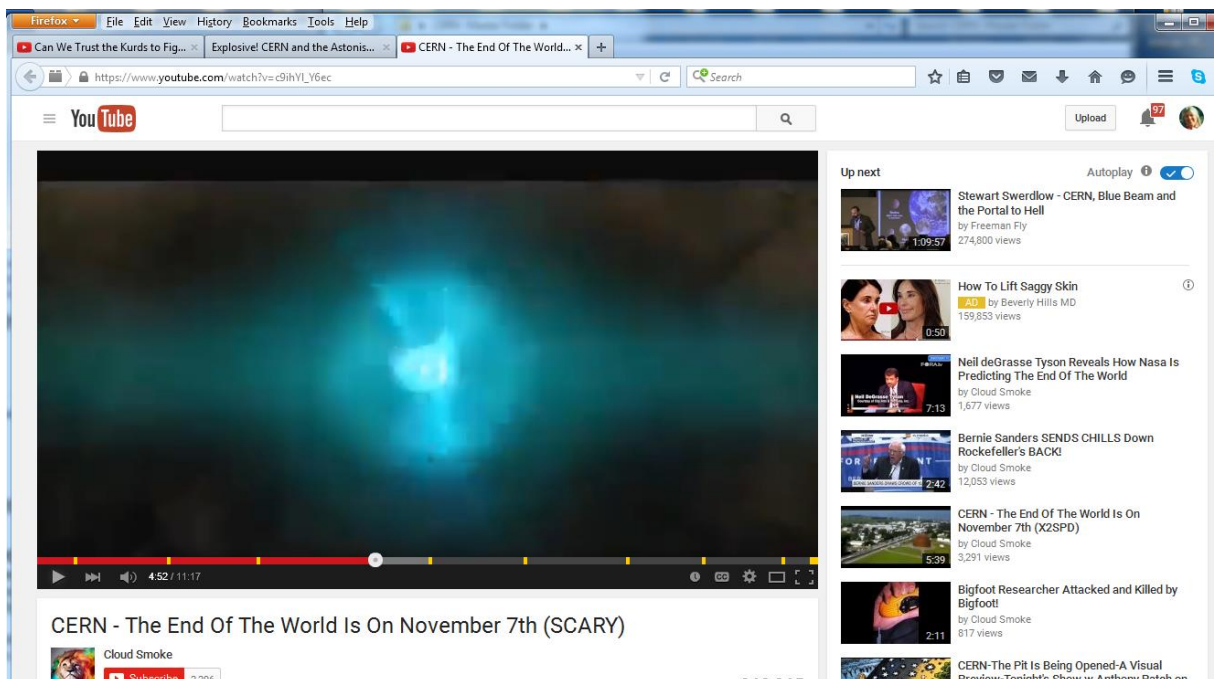

Two of the World's foremost scientific- Minds" in the field of particle physics, Drs. Neil De Grasse and Stephen Hawkins, have publicly spoken out against the continued use of CERN. **CERN's EFFECT—the particle forces released could cause a black hole, or big-bang-like explosion capable of destroying the entire Earth!**

CERN—End of World on Dec. 7th, 2015?

See the amazing 'inside' SCIENTIFIC REVELATION as why two of the worlds most renowned astrophysicists publically warn against starting up CERN again!

https://www.youtube.com/watch?v=c9ihYl_Y6ec **MUST SEE**

Stephen Hawkins recently warned: “The God Particle Found by CERN could destroy the Universe.”

How? By releasing the God-particle’s atomic energy and causing an uncontrollable chain reaction—an atomic reaction that could either implode into a black hole or explode as a mini-big-bang into an ever expanding nuclear nightmare. They don’t know what they are doing and they are gambling for the thrill of ‘power’—risking all life.

The question needs to be asked, do they have the right to risk or take your Life, kill all of Life, & destroy Earth? CERN was built on a Roman/Pagan Portal to the God of the underworld: Apollyon, or Satan. These ‘scientists’ are not working for the betterment of humankind. kwh

CERN & Einstein’s theory. There are tremendous forces holding atomic particles together. $E=MC^2$ [Energy = Mass x C (the speed of light) Squared]. Physicists learned that by smashing atoms apart they could release their binding-force, and get an explosion of energy e.g. a nuclear bomb. According to Einstein’s proven formula above, the amount of energy you get is proportional to the mass or unit weight of what you are smashing. Scientists at CERN plan to smash heavy-mass gold & lead particles.—CERN is scheduled to accelerate and smash trillions of these heavy particles at the speed of light, to again release the ‘God particle’. If it causes a chain reaction, the energy will be uncontrollable. Hence the basis of astro-physicists Stephen Hawking’s and Neil De Grasse’s grave warnings.

In the atomic world, the binding forces of ‘particles’ are “trillions upon trillions, upon trillions, upon trillions of times more powerful than the force of Gravity”!!! CERN generates a magnetic field that ranges between 10 to 100 times greater Earth’s gravity.

MUST STOP CERN while we can.

Scientists at CERN are gambling with our lives, smashing elemental particles at the near-speed of light in opposite directions in the underground magnetic particle accelerator—they are increasing its power beyond established limits—this could be deadly for ALL CREATION. KWH

3. EMF/NUCLEAR PULSE EVENTS:

Nuclear Explosions approximately 25 miles high or more in the atmosphere can create EMF events [Electro-Magnetic-Frequency events]. A strong enough event would fry electric power grids, computers/electronics and stop machines, cars & trucks, planes, transportation and commerce. An EMF event could severely cripple a nation, and literally throw it back into the Dark Ages.

SILENT EMF attack on Upper Midwest

“UN-REPORTED” Midwest radiation Spike with Pulse event:

It is disturbing to note that the Upper Midwest was hit in September 2015 with a clandestine nuclear “pulse event”. It was discovered by a network of ‘citizen-monitors’ who take regular Geiger readings in their states throughout the USA . The nuclear event reportedly occurred in Michigan or Champagne IL, but stretched from coast to coast. Nuclear plants, military, and government and media have all been mum about it—the count of dangerous gamma & beta radioactive particles reached peak level in Montana, approaching 3,000 CPM (Geiger counter “clicks per minute”). Normal background radiation are between 5 and 20 CPM. Levels have been slow to go back down across the region. This nuclear news was published online in *VeteransToday*—weekly updates are available for states with elevated radiation levels.

On Sept. 24th, Wisconsin was over 250 times over normal radiation background level—Wisconsin, the dairy capitol of the nation, if not the world has been hit hard! The nations breadbasket received a big punch too! Our food supply has been tainted and nobody says a thing?! The Wisconsin health department knew nothing of the event when called. Dangerous radiation spread from East Coast to West Coast—was it a dirty bomb as well as an EMF event?

Children, pregnant women and fetuses are most vulnerable to radiation. Mutations, cancers and infertility rates & numbers of afflicted are sure to jump. Where’s our government—why aren’t they warning & protecting us? Why do they shirk their Public Trust Responsibilities by not advising of the event, and how to best protect ourselves? ! Is anybody out there who cares? I have a strong sense that this nuclear event, like Fukushima, is manifestation of the Elitist/Obama New World Order, and its UN Agenda 21 slow-and silent genocide program.

The fact that this nuclear event had “pulse” tells us that the event could be a terrorists preliminary-practice mini- EMF —a gearing up for an all-out high-level nuclear EMF attack that would fry all unshielded electronics including the electric power grid—a congressional hearing concluded EMF would bring the United States to its knees. One more reason to recognize something IS definitely amiss, about our Homeland Security, Executive Leadership, & governance. Where’s the extra-preventative protective shielding?

4. NUCLEAR EVENTS & MELT-DOWN THREATS:

- **N. Korea nuclear submarines.** Unreported deployment of 50 N. Korean nuclear submarines Nov. 9th 2015—not all have returned to harbor as of 11-24-2014. Kim Jong Un says he's ready for war with the U.S.

- **Fukushima—the three meltdowns were not an accident:**
they were purposefully caused by a HAARP induced Tsunami, plus virus sabotage of nuclear plant back-up generators of the water-pool-cooling systems for the nuclear fuel rods.

Note: (There are several outstanding interviews with Dr. Lorean Moret (geo/nuclear physicist) by Albert L. Webre on Fukushima and more on You Tube—many topics, original in depth excellent research and revelations on Jewish history/Jesuits/Rothschilds/Queen etc. Moret gives an unprecedented perspective on what's going on today in the physical and political world, and connects it with history, ancient history, and contemporary events.)

He discusses the technology used for genetic manipulation and DNA sequencing. Super soldiers and the possibility of us being genetically altered without being aware of it. What does the future hold for such evil technology? This lecture at the Open Mind Conference, focuses on how a small socio-political American elite seeks to establish its control over the very basis of human survival, the provision of our daily bread. Control the food and you control the people. This is no ordinary lecture about the perils of GMO.

Engdahhi discusses the PLOYS used by the ‘Elite’ to accomplish World Control of all Life Necessities (note: the Rockefeller’s Tri-Lateral Commission’s goal. k.w.h.)—so to Serve the desires of the Elite: for their own World Dominance/Control & wealth Building. After reading the book, “Seeds of Destruction”, and learning the truth, the Pope decided not to endorse GMO seeds, and genetic “engineering/patenting”-- he said these are men trying to play God.

Engdahl takes the audience inside the corridors of power, into the backrooms of the science labs, behind closed doors in the corporate boardrooms and reveals a World of profit-driven [political intrigue](#), government corruption and coercion, where genetic manipulation and the patenting of life forms are used to gain worldwide control over food production. The lecture is based on Engdahls book “Seeds of Destruction: The Hidden Agenda of Genetic Manipulation” which is an eye-opener, a must-read for all those committed to the causes of social justice and World peace.

Note: Where there were once more than 1000 varieties of seeds of many species—there remains less than 100 varieties, and in many instances much much less. Variety is important to survivability—‘Natural Selection’ [first discovered by Charles Darwin] is the means of species survival—you never know what quality in a plant or animal might be need in hard times...the more diversity the better chances of survival. Genetic Diversity is an insurance policy—an antidote to extinction. Monsanto uses heavy handed practices to force farmers & seed companies to ‘sell out’. Rockefeller started/funded “Agribusiness” and “molecular biology” (a new human endeavour—the goal: to reduce genetic complexity) K.W.H.

FEMA CONCENTRATION CAMPS

Locations & Martial Law and 'Executive Orders':

 <http://educate-yourself.org/cn/femaconcentrationcamplocations07sep05.shtml>

FEMA CONCENTRATION CAMPS: Locations and Executive Orders

There **over 800 prison camps in the United States**, all fully operational and ready to receive prisoners. They are all staffed and even surrounded by full-time guards, but they are all empty. These camps are to be operated by FEMA (Federal Emergency Management Agency) should Martial Law need to be implemented in the United States and all it would take is a presidential signature on a proclamation and the attorney general's signature on a warrant to which a list of names is attached. Ask yourself if you really want to be on Ashcroft's list.

The **Rex 84 Program** was established on the reasoning that if a "mass exodus" of illegal aliens crossed the Mexican/US border, they would be quickly rounded up and detained in detention centers by FEMA. Rex 84 allowed many military bases to be closed down and to be turned into prisons.

Operation Cable Splicer and **Garden Plot** are the two sub programs which will be implemented once the Rex 84 program is initiated for its proper purpose. Garden Plot is the program to control the population. Cable Splicer is the program for an orderly takeover of the state and local governments by the federal government. FEMA is the executive arm of the coming police state and thus will head up all operations. The Presidential Executive Orders already listed on the Federal Register also are part of the legal framework for this operation.

The camps all have railroad facilities as well as roads leading to and from the detention facilities. Many also have an airport nearby. The majority of the camps can house a population of 20,000 prisoners. Currently, the largest of these facilities is just outside of Fairbanks, Alaska. The Alaskan facility is a massive mental health facility and can hold approximately **2 million people**.

EXECUTIVE ORDERS: Review of the Legal Justification for any actions taken:

Executive Orders associated with FEMA that would suspend the Constitution & the Bill of Rights.

Executive Orders have been on record for nearly 30 years and could be enacted by the stroke of a Presidential pen:

EXECUTIVE ORDER 10990 allows the government to take over all modes of transportation and control of highways and seaports.

EXECUTIVE ORDER 10995 allows the government to seize and control the communication media.

EXECUTIVE ORDER 10997 allows the government to take over all electrical power, gas, petroleum, fuels and minerals.

EXECUTIVE ORDER 10998 allows the government to seize all means of transportation, including personal cars, trucks or vehicles of any kind and total control over all highways, seaports, and waterways.

EXECUTIVE ORDER 10999 allows the government to take over all food resources and farms.

EXECUTIVE ORDER 11000 allows the government to mobilize civilians into work brigades under government supervision.

EXECUTIVE ORDER 11001 allows the government to take over all health, education and welfare functions.

EXECUTIVE ORDER 11002 designates the Postmaster General to operate a national registration of all persons.

EXECUTIVE ORDER 11003 allows the government to take over all airports and aircraft, including commercial aircraft.

EXECUTIVE ORDER 11004 allows the Housing and Finance Authority to relocate communities, build new housing with public funds, designate areas to be abandoned, and establish new locations for populations.

EXECUTIVE ORDER 11005 allows the government to take over railroads, inland waterways and public storage facilities.

EXECUTIVE ORDER 11051 specifies the responsibility of the Office of Emergency Planning and gives authorization to put all Executive Orders into effect in times of increased international tensions and economic or financial crisis.

EXECUTIVE ORDER 11310 grants authority to the Department of Justice to enforce the plans set out in Executive Orders, to institute industrial support, to establish judicial and legislative liaison, to control all aliens, to operate penal and correctional institutions, and to advise and assist the President.

EXECUTIVE ORDER 11049 assigns emergency preparedness function to federal departments and agencies, consolidating 21 operative Executive Orders issued over a fifteen year period.

EXECUTIVE ORDER 11921 allows the Federal Emergency Preparedness Agency to develop plans to establish control over the mechanisms of production and distribution, of energy sources, wages, salaries, credit and the flow of money in U.S. financial institution in any undefined national emergency. It also provides that when a state of emergency is declared by the President, Congress cannot review the action for six months. The Federal Emergency Management Agency has broad powers in every aspect of the nation. General Frank Salzedo, chief of FEMA's Civil Security Division stated in a 1983 conference that he saw FEMA's role as a "new frontier in the protection of individual and governmental leaders from assassination, and of civil and military installations from sabotage and/or attack, as well as prevention of dissident groups from gaining access to U.S. opinion, or a global audience in times of crisis." FEMA's powers were consolidated by President Carter to incorporate the...

National Security Act of 1947 allows for the strategic relocation of industries, services, government and other essential economic activities, and to rationalize the requirements for manpower, resources and production facilities.

1950 Defense Production Act gives the President sweeping powers over all aspects of the economy.

Act of August 29, 1916 authorizes the Secretary of the Army, in time of war, to take possession of any transportation system for transporting troops, material, or any other purpose related to the emergency.

International Emergency Economic Powers Act enables the President to seize the property of a foreign country or national. These powers were transferred to FEMA in a sweeping consolidation in 1979.

Massive Concentration Camps are all within the U.S.

These camps, like Hitler's and Stalin's camps are filled with political prisoners and slave labor. The majority of prisoners in these camps have not committed any crime. The Law in the U.S. requires three elements to be present in any crime: the Act, Intent and Damage (**MENS REA** - willful intent, **ACTUS REUS** - act or crime, **CORPUS DELICTI** - body of the crime, the actual damage). It is estimated that 90% of the people prosecuted by the courts in the U.S. committed no crime.

Notice: Can you spot what appears to be a “black” dome (tent?)

ISIS is operating a camp just a few miles from El Paso, Texas, according to Judicial Watch **sources that include a Mexican Army field grade officer and a Mexican Federal Police Inspector.**

The exact location where **the terrorist group has established its base is around eight miles from the U.S. border in an area known as “Anapra”** situated just west of Ciudad Juárez in the Mexican state of Chihuahua. **Another ISIS cell to the west of Ciudad Juárez, in Puerto Palomas,** targets the New Mexico towns of Columbus and Deming for easy access to the United States, the same knowledgeable sources confirm.

During the course of a joint operation last week, Mexican Army and federal law enforcement officials discovered documents in Arabic and Urdu, as well as “plans” of Fort Bliss – the sprawling military

installation that houses the US Army's 1st Armored Division. Muslim prayer rugs were recovered with the documents during the operation.

Law enforcement and intelligence sources report the area around Anapra is dominated by the Vicente Carrillo Fuentes Cartel ("Juárez Cartel"), La Línea (the enforcement arm of the cartel) and the Barrio Azteca (a gang originally formed in the jails of El Paso). Cartel control of the Anapra area make it an extremely dangerous and hostile operating environment for Mexican Army and Federal Police operations.

According to these same sources, "coyotes" engaged in human smuggling – and working for Juárez Cartel – help move ISIS terrorists through the desert and across the border between Santa Teresa and Sunland Park, New Mexico. To the east of El Paso and Ciudad Juárez, cartel-backed "coyotes" are also smuggling ISIS terrorists through the porous border between Acala and Fort Hancock, Texas. These specific areas were targeted for exploitation by ISIS because of their understaffed municipal and county police forces, and the relative safe-havens the areas provide for the unchecked large-scale drug smuggling that was already ongoing.

Mexican intelligence sources report that ISIS intends to exploit the railways and airport facilities in the vicinity of Santa Teresa, NM (a US port-of-entry). The sources also say that ISIS has "spotters" located in the East Potrillo Mountains of New Mexico (largely managed by the Bureau of Land Management) to assist with terrorist border crossing operations. ISIS is conducting reconnaissance of regional universities; the White Sands Missile Range; government facilities in Alamogordo, NM; Ft. Bliss; and the electrical power facilities near Anapra and Chaparral, NM.

(CNSNews.com) - Far from being "contained," radical Islamic terrorists operating in Syria are "expanding globally and plotting aggressively," Homeland Security Committee Chairman Rep. Michael McCaul told Congress on Wednesday.

"ISIS is now responsible for more than 60 terrorist plots against Western targets, including 18 in the United States," McCaul said.

"Here at home, we have arrested more than 70 ISIS supporters over the last year. That's on average more than one per week, and the FBI says it has nearly 1,000 ISIS-related investigations in all 50 states. If this is not a war, then I don't know what is."

McCaul spoke at a joint hearing with the House Foreign Affairs Committee on "The Rise of Radicalism."

"America cannot wait for terrorists to launch their next attack," he said. "We must respond immediately. We can start by securing the homeland".

Where are North Korea's submarines? **Whereabouts of fleet which vanished from radar remains a mystery days after Kim Jong Un ends stand-off with the South:**

- 50 vessels vanished last week, (Nov. 9th, 2015) sparking fears they were readying for attack
- A South Korean military official described the development as 'ominous'
- Defense ministry later said **part of fleet had returned but some still missing**

Poised for combat: Kim Jong Un aboard a submarine during an inspection of one of his naval units last year. The whereabouts of a fleet of submarines which vanished off radar during the stand-off with the South remains unclear--days after the Koreans agreed a deal which allowed them to pull back from the brink of war. (Note: was the stand-off with S. Korea a distraction for a more sinister maneuver—an attack on the U.S. A.?)

North Korean submarines which vanished during the military stand-off with the South still appear to be missing days after the countries agreed to down arms.

Around 50 vessels, which account for 70 per cent of Pyongyang's fleet, disappeared off radar last week, sparking fears they were readying for an attack.

(Note: Ready to “Attack Who” is the question! Previously at a military parade-celebration, N. Korea/ Kim announced they are “ready for war with the United States”. North Korea has missile-launch-capability on some subs. Is Kim in alliance with Obama/Muslims)? Were the subs in American waters? Did they have dinghies with pay loads of Jihadists? Are some sitting below surface ready to spring a nuclear surprise on the U.S. A? Why has American media ignored the missing submarine issue—or were they not informed? Answers to these questions could be urgent and vital to our/U.S. National Security. We deserve answers and protection.

3). EARTH WEAPONS & Un-‘Natural Disasters’—

Elitist/Luciferian/Jesuits are using military/CIA high-tech “clandestine Earth-Weapons” & Weather control technologies, such as HAARP, CERN, and chem-trails for nefarious purposes. They cloak their doings as “exploratory” science or R & D [research and development]. They secretly use it to control weather and to create man-made disasters—for profiteering purposes! **These extremely dangerous technologies are having ‘unrecognized’/profound “degradation-effects” on all Earth populations, ultimately on the Planet’s “interconnected life support system”. Among these effects are Global Warming”.** (re: Part 1 of this Report 2, and “Trojan Presidency” Report 1 [K.W.H])

HAARP HAS BEEN USED TO CAUSE:

- **Catastrophic Earth events:** Earth quakes, tsunamis, (sink holes, and volcanic activity?)
- **Nuclear ‘accidents’/clandestine nuclear warfare**—threaten the entire “Global “Life Support System”. LIFE & genetic heritage is at risk, as never before! The continuous-nuclear-meltdowns of Fukushima Japan are especially dangerous—the failed reactors, have become weaponized breeders of deadly black dust—and a genocidal tool in the hands of elitists
- **Air flow patterns.** HAARP is used to create advantageous &/or disadvantageous “air flow patterns”—to affect economics & precipitation in chosen locations.
- **Radioactive air-flow-streaming** to particular areas on the planet—for access to resources and to weaken or exterminate populations who stand in the way. (Radioactive air streaming most probably is part of the elitist eugenics/genocidal program UN Agenda 21). There is radioactive streaming leading from Fukushima, Japan to continental targets.
- **Polar ice cap melt:** Geo-Nuclear Physicist, Dr. Lorean Moret has been graphically monitoring & recording the air and water flow of Fukushima-radiation. She believes they (British Petroleum, the CIA, and are targeting the Antarctic—to melt ice on the polar cap to access minerals. (Brittish Queen Elizabeth owns mineral rights in the Antarctic, also BP oil, and most mines in the world, including RTZ/Flambeau Mine in Wisconsin. See Dr. Lorean Moret’s You Tube video interview “Wigner6” Black Dust of Death.

- **HAARP Weather Events:** floods/droughts, tornados , typhoons, hurricanes, Super- storms (again CERN could be used to augment HAARP effects).
- **Ionospheric lift, earth shield damage—inadvertent global warming?** When HAARP's concentrated extreme-energy is beamed into the upper atmosphere it actually heats, bulges and lifts the ionosphere—thus causing cooler air to rush in to fill the bulge—hence changing the flow of air currents and giving scientists a tool to direct jet streams and control weather. It is likely that HAARP is doing damage to our planet Earth solar shields and contributing to global warming.

CERN is Operational, and EXPERIMENTAL-- It Has CAUSED, or MAY CAUSE:

- **Cracks in the Ionosphere & Earth Shield Damage.** CERN has already been shown to cause cracks in ionosphere, this weakens part of the Earth's shield. Could CERN destroy Earth's protective solar & cosmic radiation shield!? (for text and video see Part 1 of this Report-- "*CERN Effects Caught on Video: CERN Cracks Earth's Solar Shields*": <https://www.youtube.com/watch?v=8WZKJ-CKPVM>)

It appears that the video shows part of Earth's ionosphere-atmosphere dissipating in feather-like streams into space as well as cracking of the ionosphere. **Without the Earth-shields intact, scientists say that the cosmic and solar winds (of ionizing radiation) would strip away our atmosphere and leave Earth as barren as Mars—** which the scientists believe once had an atmosphere. Is CERN also affecting the Earth's protective Ozone layer? Could CERN also cause problems with the protective Van Allen Belt and magnetosphere, being that CERN's magnetic pull is far greater than that of Earth's gravity?

Earth Shields:

- The Van Allen belt: https://en.wikipedia.org/wiki/Van_Allen_radiation_belt
 - Earth's magnetic field
 - Magnetosphere
 - Ozone layer and Ionosphere
- **Diminish Earth Core-Spin/Magnetic Field?** There is concern that experimentation with "strange particles" could affect the Earth' core and magnetic field. One thing discerning scientists know is that we don't want is to slow down the Earth's spinning molten-core—it's the fantastic "*geo-dynamo*" that produces the protective electro-magnetic field surrounding Earth. This magnetic field keeps cosmic and solar winds and flares from frying our atmosphere into oblivion.

- **Portals, Black Holes and “Dark Matter-effects”**. CERN Scientists believe they may have opened up a **portal to ‘dark forces’** (or destructive energies), yet they pursue portals, and wormholes and have actually created small **“black holes”** which they claim were not “able to sustain” —even a non-scientist knows better!
- **Harm to Earth crust integrity**. CERN may be capable of destroying the integrity of the Earth’s crust. With its super magnetic powers it could: 1). Pull close flying asteroid or Planet X 2). Exacerbate and/or pre-maturely cause “polar shift” — thus shift continents and cause chaos with the Earth crust causing a volcanic eruptions and earth quake of un imaginable proportions. The mainstream media is reporting that hospital emergency rooms are jammed with patients suffering from a bizarre upper respiratory infection that doesn’t quite seem like a virus”.

(N.Morgan) The Geoengineering program has been in full swing here in the United States since 2006. Many citizens complain of a strange, flu like illnesses after being exposed to Chemtrail spraying. Sneezing, itchy eyes, respiratory ailments. These strange symptoms boggle the minds of the mainstream medical community, who ignores the true cause of these reported illnesses. I myself experience these symptoms any time I am heavily exposed to Chemtrails spraying. It is also widely believed that these symptoms could lead to bigger health issues in the future.

MORGELLONS disease

The [mainstream media](#) is reporting that hospital emergency rooms are jammed with patients suffering from a bizarre upper respiratory infection that doesn't quite seem like a virus. They are reporting that it's a "mystery" flu and that the flu vaccines are ineffective against it.

"That's all [hogwash](#), bogus nonsense", says Dr. Leonard Horowitz. "The fact of the matter is, we have seen this type of an [epidemic](#) since the end of 1998 and the beginning of 1999.

People have been hacking and coughing with this bizarre illness that does not seem to follow any logical viral or bacterial onset and transition period.

If it was a really bacterial or a viral infection, it would have caused a fever but it didn't. It lasts for weeks, if not months. Sinus congestion, sinus drainage, cough, fatigue, general malaise. People have been feeling "off".

The Armed Forces Research Institute of [Pathology](#) has registered a patent for the pathogenic micoplasma that is causing the epidemic. You can see the patent report in the book, Healing Codes for the Biblical Apocalypse.

Micoplasma is not really a fungus, it's not really a bacteria, it's not really a [virus](#). It has no cell wall. It goes deep into the cell nuclei thereby making it very difficult to mount an immune response against it. It's a man-made [biological weapon](#). The patent report explains how it causes chronic upper respiratory infections that are virtually identical to what's going on right now."

Why is the federal government so obsessed with grabbing more land? After all, the federal government already owns more than 40 percent of the land in 9 different U.S. states. Why are federal bureaucrats so determined to grab even more? Well, the truth is that this all becomes much clearer once you understand that there is a very twisted philosophy behind what they are doing. It is commonly known as "Agenda 21", although many names and labels are used for this particular philosophy. Basically, those that hold to this form of radical environmentalism believe that humanity is utterly destroying the planet, and therefore the goal should be to

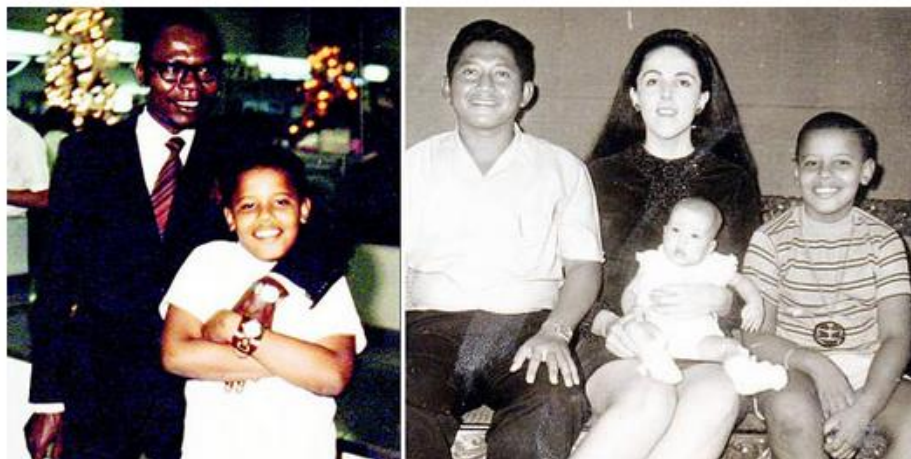

AGENDA 21 PLAN is to create Wild Life corridors for species to travel, and so better maintain genetic diversity. Not a bad idea---but look closely: humans will be relegated to small tracts--the blue areas. 9. CERN: Home of the World Wide Web

The **World Wide Web** began as a **CERN** project named **ENQUIRE** which was allegedly initiated by **Tim Berners-Lee** in 1989 and **Robert Cailliau** in 1990. Since CERN is admittedly the birthplace and home of the **World Wide Web**, it wields almost absolute power over Earth, most of which is now run by supercomputers. Since virtually all banking, commerce, communication, drone warfare and travel are now controlled by computers, whatever agency has power over said CERN essentially rules the world. The main CERN site at **Meyrin** has a "large computer facility containing powerful **data processing** facilities, primarily for experimental-data analysis", and "has historically been a major **wide area networking** hub". The term "wide area networking" is defined in-part as "a telecommunications network or computer network that extends over a large geographical distance". In other words, CERN is the internet hub or motherboard of entire world. This notion is confirmed by the **CERN Internet Exchange Point (CIXP)** which the first pan-European Internet backbone and the first T1 connection to **NSFnet** were established back in 1989 and 1990. Translation: CIXP is the motherboard of the internet as all other internet hubs and portals are connected to her. Consequently, if and when the CIA wants to target a country, corporation or person, they can easily do so for they have instantaneous access to all available information in real-time.

Geneva (i.e., 46°27'19.8"N 6°36'01.9"E) where CIA Headquarters is evidently located.

Therefore, it appears that CERN's LEP Tunnel is political cover for the subterranean tunnel through which daily commuter trains shuttle CIA personal from the suburbs of Geneva, Switzerland, to CIA Headquarters deep beneath Lake Geneva.

CIA Headquarters is evidently known as the "North Area", one of CERN's so-called experimental sites. The North Area is reportedly the largest of the experimental sites within the Prévessin site which is allegedly the target station for non-collider experiments on the SPS accelerator.

Because the CIA is in command and control of each country's respective intelligence agencies and military, they are responsible for orchestrating virtually all of the assassinations, terror attacks and wars.

RED ALERT: [10 Reasons Why Switzerland is Home to the CIA](#)

[David Chase Taylor](#)

[Truther.org](#)

SWITZERLAND, Zurich — Located in central Europe, [Switzerland](#) is home to the one and only “Central Intelligence Agency” (CIA). The CIA, which operates under the alias [Holy See](#) (i.e., the “Holy C”), was founded 40 years after [Confoederationis Helveticae](#) (i.e., Switzerland), roughly 755 years ago.

By employing [deductive reasoning](#), it can be deduced that Switzerland is in fact home to the CIA. The first step in this process is to [follow the money](#) which leads directly to the [Bank for International Settlements](#) (BIS) in Basel, Switzerland, an organization which secretly funds the CIA’s nefarious activities.

READ IN GERMAN: [10 Gründe warum die CIA in der Schweiz beheimatet ist](#)

Switzerland is unique from every other country on Earth, something expected from the nation which harbors the CIA. Because Switzerland is ultimately responsible for engineering the incessant assassinations, terror attacks and wars around the globe, it is naturally free of such mayhem.

In other words, Switzerland is the [eye of the global storm](#)—free of financial crises, free of state-sponsored terrorism, and free of war for over 500 years. After all, terrorists in the CIA need a sanctuary, a place of peace and safety where they can return to after executing [black operations](#) around the world.

Said terrorists also need a place where they can avoid prosecution, hence Switzerland's permanently neutral position within the international community. This is why the bankers, pirates and terrorists formerly known as the [Knights Templar](#) and the [Order of Saint John](#) (see below) originally fled to the [Alps](#), founding what is known today as Switzerland.

Because the CIA is in command & control of each country's respective intelligence agencies & military, they are responsible for orchestrating virtually all of the assassinations, terror attacks & wars. This is where the concept of the [Swiss Army Knife](#) originally came from for Switzerland has every political and military option at their respective disposal.

Although [Switzerland is noted for its Swiss Mercenaries](#) who were strategically placed by the CIA in foreign armies, courts and governments in order to conduct assassinations and espionage, 99% of Swiss citizens have absolutely no idea that their country is in fact home to the CIA.

SWITZERLAND IS CIA:

1. Switzerland is located in central Europe
2. Switzerland is the only [neutral nation](#) on Earth
3. Switzerland is the only [sovereign nation](#) on Earth
4. Switzerland is home to [Onyx Interception System](#)
5. Switzerland is home to [Holy See](#) (i.e., the Holy C-I-A)
6. Switzerland is home to [Bank for International Settlements](#) (BIS)
7. Names for Switzerland (i.e., [CH](#) and Suisse) equate to CIA and SS
8. [Swiss National Day](#) is same date as the [anniversary](#) of the [Temple of Spies](#)
9. Switzerland is intimately tied to dictators (e.g., Hitler, Mussolini, Jong-Un, etc.)
10. Switzerland was originally founded by the [Knights Templar](#) and [Order of Saint John](#)

GREENLANDTHEORY.COM

<https://sites.google.com/site/greenlandtheory/switzerland/cia-central-intelligence-agency>

Located in central Europe, Switzerland is home to the "Central Intelligence Agency" which was [founded 714 years ago in 1300 AD, or the year 000](#). The CIA is also known as the ["Holy See"](#) (i.e., the "Holy C") which is the [ecclesiastical jurisdiction](#) of the [Catholic Church](#) in [Rome](#) (see below). The notion that Switzerland is Greco-Roman in origin is evident by the [Greek Cross](#) which is depicted on the [flag of Switzerland](#). If Switzerland was a "neutral" country as they claim to be, they would not be home to the state-of-art [Onyx Intelligence Gathering System](#) which spies on the rest of the world. In other words, the world's most advanced electronic espionage facility would not be housed in Switzerland unless it was home to the Central Intelligence Agency. The word "Central" (C/K+N+T+R+L) is the acronymical equivalent of the word "Control" (C/K+N+T+R+L) for the CIA is in command and control of the entire underworld. The [CIA of the United States](#), which was founded in 1948, is political cover for the [black operations](#) and war-related actions that are executed around the world by the CIA in Switzerland. This is ultimately where the term ["Swiss Army Knife"](#) came from as Switzerland has every single military and political tool at their disposal. The country of Switzerland is subdivided into 26 Cantons or states which share 4 official languages (i.e., German, French, Italian and [Romansh](#)), as well as 2 non-official languages (i.e., Swiss German and English). This effectively allows Switzerland to spy on Europe and the rest of the world via state-of-the-art technologies (e.g., cell phones, drones, phones, satellites, watches, etc.). This is where the term "Swiss Watch" was derived from for Switzerland unwittingly "watches" (i.e., spies) on the rest of the underworld on behalf of the Greco-Roman Empire in Greenland. Switzerland is also noted for its iconic [Swiss watches and timepieces](#) which were the first mass produced [covert listening devices](#) (i.e., bugs) that could be accessed via electronic radio waves. The CIA also created [Microsoft Windows](#) which allows them to look through the windows of people's business and lives, as well as [Google](#) which are electronic ["goggles"](#) that allows the CIA to monitor what its users are searching for. In reality,

the internet is an electronic net which was specifically created in order to identify and neutralize businesses, corporations and individuals which present a threat to the status quo. [Jesus Christ](#) was crucified on a [Roman cross](#), which is coincidentally found on the [flag of Switzerland](#), because the CIA of Switzerland unwittingly executes all those who attempt to save the world from the rule Greco-Roman Empire in Greenland. That is why Jesus, the Savior of the world, is betrayed by the Jews just prior to his crucifixion at the hands of the Roman Empire. Switzerland is also where the concept of "[Spy vs. Spy](#)" originated from as each respective country and territory of the world is funded by the [Bank for International Settlements](#) (BIS) in Basel, Switzerland in order to gain intelligence which fosters the notion that each respective country of the world is sovereign. Lastly, the logo of [Spy Optic](#) sunglasses also depicts the [Greek Cross](#) found on the [flag of Switzerland](#), an apparent tribute to the espionage conducted by the country of Switzerland.

Swiss CIA Numerology:

The [logo of the CIA](#), which bears a [Roman cross](#) just like the [flag of Switzerland](#), also includes the head and beak of a [Roman Eagle](#) which is coincidentally found in the northern part of the [outline of Switzerland](#) (see photo). According to the [International Organization for Standardization](#) (ISO) which is located in Switzerland, the country code or abbreviation of Switzerland is "CH" (i.e., "Chi"). Using [Jewish Gematria](#), "CH" equates to "3" and "11" or "311" when employing the [Roman-English alphabet](#). Coincidentally, the acronym of "CIA" numerically and visually also equates to "311" (i.e., C=3, I=1, and A=1). The letters "CIA" also numerically equate to "[CH](#)" as the [number 11](#)" equates to the letter "H" in the [Roman Score](#) (i.e., the Roman alphabet) which is based off the Greco-Roman [Pillars of Hercules](#). The acronym "[CH](#)" also equates to "C Forever", an apparent tribute to the CIA which is also known as the Holy See (i.e., "Holy C"). Since the letter "A" doubles as the [Chevron symbol](#) (i.e., "A") found within the Roman Score, it equates to the letters "C" and "K" in the Roman-English alphabet. Consequently, the acronym "CIA" equates to "CIA", "CIC" or "CIK". The double "AA", "CC" or "KK" is a tribute to [Chania, Crete](#), the birthplace of the Greco-Roman Empire. This is also why the [coat of arms of the Holy See](#) depicts two keys for the term "Key" (K) acronymically equates to the letter "C" or "K". Lastly, since the CIA is predominately manned by men of Jewish ethnicity, the derogatory term for Jews is "[Kike](#)" (C/K+C/K), a term which consonantly equates to "CIA" when the letter "A" is utilized as a Chevron symbol (i.e., "A").

The Holy See

The "[Holy See](#)" (i.e., the "Holy C") was [the original name of the CIA](#), a name derived from the original name of Switzerland, [Confoederationis Helveticae](#). The term "Holy" (H+L) was derived from the "Hel" (H+L) in "Helveticae", while the term "See" (i.e., "C") is an acronym for "Confoederationis". Founded in c. 40 years after the establishment of Switzerland in 000 AD, the Holy See is touted as the [ecclesiastical jurisdiction](#) of the [Catholic Church](#) in [Rome](#). The Holy See is also the [central point of reference](#) for the [Catholic Church](#) everywhere and the focal point of [communion](#) due to its [prominence](#). Although all [episcopal sees](#) are considered "holy", the expression "the Holy See" is viewed as the central government of the Catholic Church. Diplomatically speaking, the Holy See acts and speaks for the whole Roman Catholic Church. In other words, the Holy See is the highest form of government in the within the Catholic Church just as the CIA is the highest form of government as [CIA "black sites" are located around the world](#). Consequently, the Holy See is viewed as a [sovereign state](#), having a [centralized government](#) entitled the [Roman Curia](#). Coincidentally, the [Federal Palace of Switzerland](#) in the capital city of Bern depicts the term "[Curia Confoederationis Helveticae](#)", further confirming that Switzerland and the Holy See are indeed one entity. This is also why the [Pontifical Swiss Guard](#) was founded by [Pope Julius II](#) on January 22, 1506 as the [personal bodyguard of the Pope](#). This agreement is [listed in](#) the "[Annuario Pontificio](#)" under "Holy See", not under "State of Vatican City". The Curia reportedly consists of a [Secretariat of State](#), nine [Congregations](#), three [Tribunals](#), eleven Pontifical Councils, and seven Pontifical Commissions. Although these respective agencies operate under the guise of the Roman Catholic Church, they are in fact responsible for dealing with all matters pertaining to intelligence. The term "see" is derived from the Latin word "sedes", meaning "seat", which refers to the Episcopal throne ([cathedra](#)). In other words, the Holy See is the "Holy Seat" or the "Holy Throne" of the Greco-Roman Empire in the underworld. Although the Holy See is technically headed by the Pope, he is just a puppet in the same manner that the President of the United States is a puppet of the CIA. That is why the British Foreign and Commonwealth Office refers to Vatican City as the "capital" of the Holy See, while declaring the Holy See and the state of Vatican City to be two international identities. That is because the entire underworld is under the jurisdiction of the Holy See with the Vatican being it's official capital.

A Sovereign Entity

Since medieval times the episcopal see of Rome has been recognized as a [sovereign](#) entity. Although the Holy See, as distinct from the Vatican City State, does not fulfill the long-established criteria in international law of [statehood](#)—having a permanent population, a defined territory, a stable government and the capacity to enter into relations with other states—its possession of full legal personality in [international law](#) is shown by the fact that it maintains with [180 member states](#) and is a guest, member or permanent [observer](#) in numerous organizations.

This very public display of affiliation is designed to sell the notion that the Holy See it is not in command and control of said states and organizations. In other words, by forming partnerships with these states and organizations, the respective entities appear separate in nature. These groups include but are not limited to: the [Arab League](#), the [AU](#) (African Union), the [Council of Europe](#), the [European Union](#), the [Food and Agriculture Organization](#) (FAO), the [International Atomic Energy Agency](#) (IAEA), the [International Telecommunication Union](#), the [IOM](#) (International Organization for Migration), the [NAM](#) (Non-Aligned Movement), the [OAS](#) (Organization of American States), the [Organization for Security and Co-operation in Europe](#) (OSCE), the [Organization for the Prohibition of Chemical Weapons](#) (OPCW), the [Palestine Liberation Organization](#), the [Sovereign Military Order of Malta](#), the [United Nations](#) and its respective agencies (e.g., [FAO](#), [ILO](#), [UNCTAD](#), [UNEP](#), [UNESCO](#), [UN-HABITAT](#), [UNHCR](#), [UNIDO](#), the [United Nations General Assembly](#), [UNWTO](#), [WFP](#), [WHO](#), [WIPO](#), etc.), and the [World Trade Organization](#) (WTO). Needless to say, the Holy See is without a doubt the most powerful entity in the world with its tentacles entrenched in every government and political body.

Der Spiegel Magazine “was given access to secret papers seized in Syria after the strategic head of Isis was killed I 2014. The magazine said the documents reveal a sophisticated **plan to build an Islamic caliphate—it operates like a secret service intelligence agency** with surveillance and security departments, prisons and interrogation divisions, weapons and technology experts and its own **Sharia court system**”. Further the **papers contain details of ISIS espionage and infiltration tactics to covertly gain power and eliminate an opposition in any country.**

Retired Admiral James Lyons, former Commander of the U.S. Pacific Fleet, accuses Barack Hussein Obama of TREASON. He also alleges that the Muslim Brotherhood has infiltrated the highest levels of the American government and are behind many U.S. policies that have been Implemented by the Obama Administration.

Air Force documents reveal not only that the Pentagon is having a hard time recruiting active duty military to “pilot” drones, as defense contractors are filling the vacancies. Military lawyers fear this blurs the line between soldier and civilian.

The “*lack of appropriately cleared and currently qualified MQ-9 pilots is a major concern*,” reads a five-page redacted Air Force document from August 24, referring to MQ-9 Reaper drones leased to a small defense contractor. The same document calls for the private concern to help cope with “*recent increased terrorist activities*” through Air Force contract

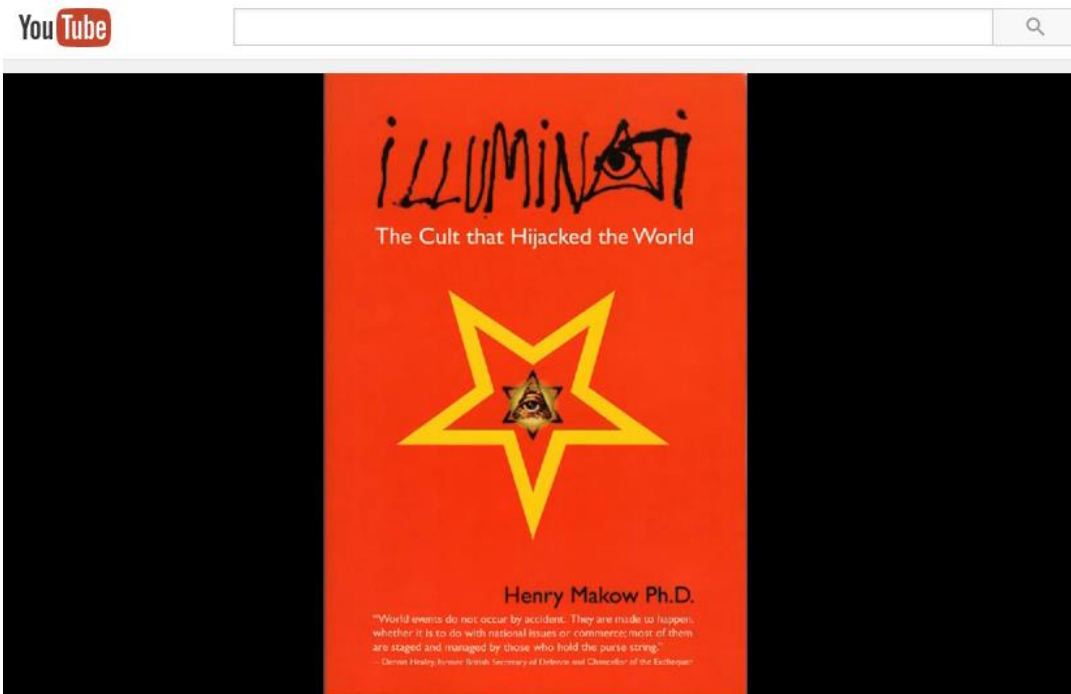

DANGEROUS PLOY--- Obama’s “jihad pilots” would pick US good-guys off like flies on a window! The U.S. has a new secret plasma ray-gun that will vaporize anything. Would they use it in drones?

Basically do what they say or have your chip switched off making it impossible for you to go to the bank, go shopping, go to hospital or see a doctor etc. without these basic needs ones fate is clearly sealed!! ■

How the Jesuits Rule the United States: “When People become members of Secret Societies, like the Jesuits, “there is a huge ascent in their career. They get put in positions that they have absolutely no training for, just simply to do Rome’s agenda and take orders from the Jesuits”. They want to keep us all in debt. [Karen Hudes]

The Jesuits (Army of the Black Pope)—aim is absolute power over the World; their wealth is uparalled (through the Catholic Church and its many unknown enterprises 9i.e. military industry: Boeing, McDonald Douglas). They are overwhelmingly responsible for both World Wars, A Queda—via Catholic Church/CIA. Hitler rose into Power modeling himself after the Jesuits/Catholic Church hierarchical organization. His book Mein Kempf was written by a Jesuit controlled Father Bernhart Stempf and signed by Hitler.

UN Body Helps Palestinians 'Rewrite' Biblical History

<http://www.cbn.com/cbnnews/insideisrael/2015/October/-UN-Body-Helps-Palestinians-Rewrite-Biblical-History/>

By Julie Stahl and Chris Mitchell **Friday, October 23, 2015**
CBN News Middle East Bureau

JERUSALEM, Israel -- A United Nations body declared two Jewish biblical holy sites to be Islamic and accused Israel of mistreating Palestinians on the Temple Mount in Jerusalem's Old City.

Israel says UNESCO is helping Palestinians to rewrite biblical history and transform the Israeli-Palestinian conflict into a religious one. UNESCO has become an instrument in the hands of the Arabs and the Palestinians.

The U.N. Educational, Scientific and Cultural Organization passed a [resolution](#) Wednesday declaring the Tomb of the Patriarchs in Hebron and Rachel's Tomb in Bethlehem are an integral part of Palestine. Earlier, they claimed both as mosques.

Israeli Foreign Ministry spokesman Emmanuel Nahshon said the declaration helps Palestinians promote their political narrative. "It is an attempt by the Arab side, and by the Palestinians, to change history and pretend as if those places, which are holy places for Judaism, which have been holy places for Judaism for thousands of years, are actually Palestinian or Muslim holy places," Nahshon told CBN News.

Historical evidence indicates that the biblical forefathers -- Abraham, Isaac and Jacob -- were buried in the Cave of the Patriarchs, along with their wives. The site of Rachel's Tomb is believed to be the burial place of the biblical matriarch, Rachel, the favored wife of Jacob.

The resolution stopped short of including the [Western Wall](#) as part of the al-Aksa compound, as Palestinians had hoped. **It would have renamed the Western Wall Plaza "al-Buraq," after Mohammed's winged horse.** "Even such an organization -- such as UNESCO, which has become a puppet in the hands of the Palestinians -- there is a limit to what you can do. But I have no doubt that they will try again," Nahshon said.

"I am a Muslim," Obama Tells Egyptian Foreign Minister Gheit

- Posted 06/13/10 Repost by SodaHead

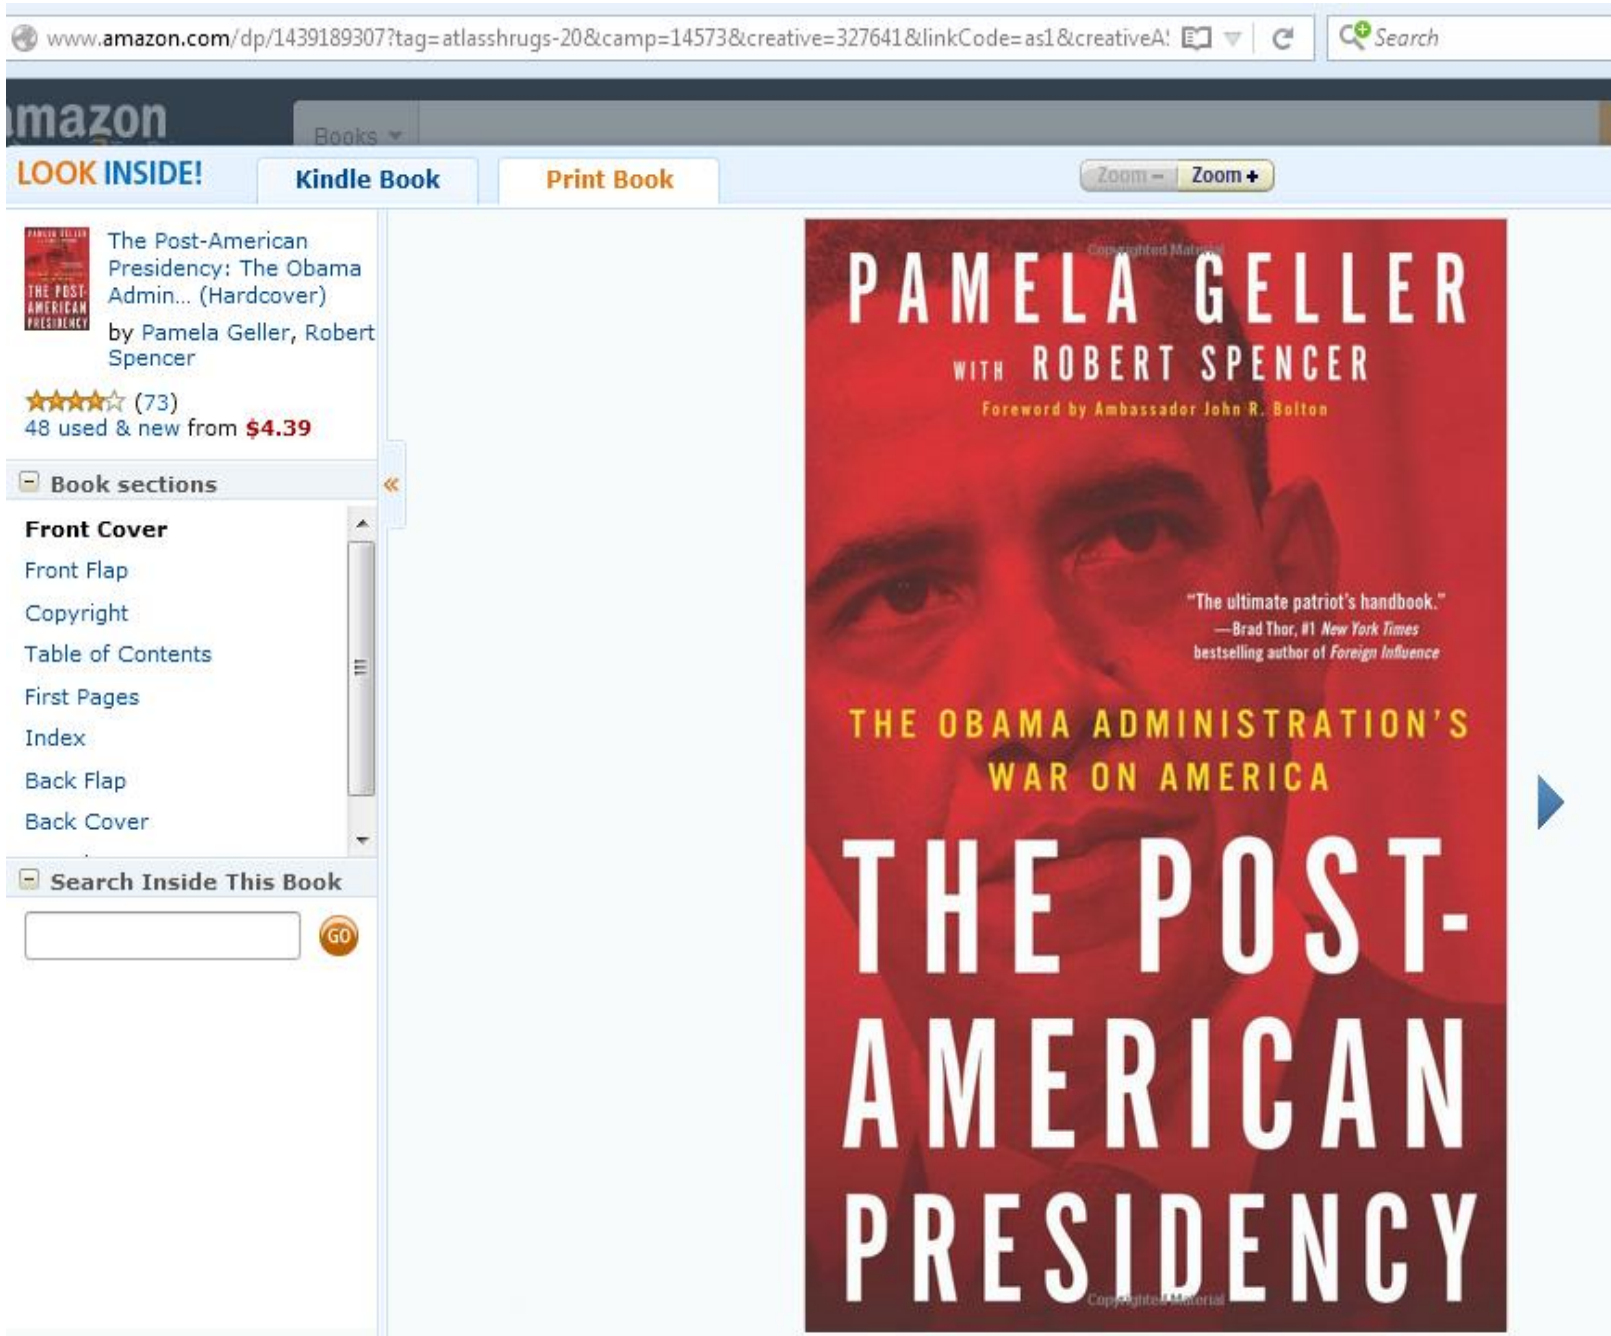

President Barack Obama and First Lady Michelle Obama pose for a photo during a reception at the Metropolitan Museum in [New York](#) with Ahmed Aboul Gheit, Minister of Foreign Affairs of the Arab Republic of Egypt, and H.E. Laila Kamal El Din Salah

Egyptian Foreign Minister Ahmed Aboul Gheit said he had a one-on-one meeting with Obama, in which President Obama told him that **he was still a Muslim, the son of a Muslim father, the stepson of Muslim stepfather, that his half brothers in Kenya are Muslims, and that he was sympathetic towards the Muslim agenda.**

Muslim President Barack Obama now refers to ISIS as ISIL. Why? He **intends to create a Levant**, a multination region state in the Middle East—from Turkey to Egypt. Israel is not included, it is shown as a territory belonging to the Islamic state. Is one of his Islamic goals is the **destruction if Israel?**

Author's Comment; Your Opinion?

I personally feel that now is not the time to listen to our Bleeding Hearts concerning Muslim Refugees. The facts speak for themselves—we are at war with the Jihadist Muslim World and there is no way of telling the good-guys from those whose goal is “Death to America”. The killer is at the door—is it wise to invite him in?

Congress has passed a measure to help stem a tide of would be sword-swinging, bombing terrorists. But are these measures enough? I say, NO, nothing is enough, short of a complete and immediate state of the art upgrade of all border and shoreline security, and a Continental lock-down of all immigration & visitation in or out of the US, Canada and the Americas until the violence and perpetrators are stopped. Laws are leaky, and to be sure Jihadists will try to find a way to trans the Atlantic & Pacific. Without money, they don't have a ticket to fly or cruise to the new world---without funding and 'gifts' of weapons and ammo, they are de-fanged. Let them howl, for the sake of your country and children...and future generations. To be sure,
“This is real”—Obama should know: he's the Wolf in Grandma's hat!

Let this sneaky-devil be uncloaked of his 'political correctness' ploy. To be sure he's done his homework and used special CIA software to tell him just how to manipulate public opinion. He and his 'elitist' friends are drooling over American-Mahdi-Pi. They will bring this country to its knees, and reap & waste its bones—if we let them!

SURVIVAL:

I personally believe that prophecy **does not** preclude the possibility of avoiding an 'Apocalypse/Armageddon'—nor “turning things around”. The prophecies were told, not only to alert humankind, but to give us choice either to: 1). allow global destruction, or 2). To stop the perpetrators, and Collectively & Peacefully strive to uplift of All humankind & living Earth. I like many, choose beauty and a healthy world of peace & global abundance for all of Humankind and all species. According to master-psychic-mediums, there are possible futures, probable futures and crystalized futures—I believe that crystalized futures are not crystalized until they happen. The looming carnage can be stopped... ~ Karen W. Harvey

Planetary SURVIVAL and Diversity Depends on STOPPING HARMS BEFORE they can Happen! It is imperative that we STOP 1). the institution of the Elitist/Muslim/Vatican/CIA “NEW WORLD ORDER”—global take-over of nations, 2).
