### **“New World Order” Plan Staged to Take control of the World/USA**

#### **TROJAN PRESIDENCY--Report #1**

**By Karen W. Harvey**

**9/1/2015**

**UPDATE 12/30/2015**

**This Document is an UTRA-ALERT. It Exposes the Elitist/Illuminati Plan to Take-over the United States and Nations of the World via coordinated EMINENT Atomic/Frequency ATTACKS. They plan to create CATAclysmic EVENTS OF BIBLICAL PROPORTIONS, some by Earth-Shift. The secret Elitist-Society/CIA controlled CERN atomic-collider & HAARP/Tesla-frequency-technologies are jointly set to use EARTH as the ultimate WEAPON of Mass DESTRUCTION—by triggering Earthquakes, Tsunamis, Global Black-Outs and Nuclear Meltdowns.**

# FORWARD

## Ultra-ALERT—IMMINENT ATTACK on USA

This Report is written out of love for our beautiful Earth, People and my Country, the United States of America. At first, it may seem as if this were written as fiction. The plot seems so un-real as to be Sci-Fi. Be assured that it is real—even though you may not want to believe it—it is real!

To think otherwise is most dangerous—for to do nothing at this point, is to allow a very deranged man and his deranged “elitists accomplices” to destroy you, your family and our country! Obama intends to use CLANDESTINE Earth-Weapons TECHNOLOGY that most people never even heard of, to take over the United States and beyond. The secret ‘Earth-disaster’ technology makes this epic coup plan all the more deadly!

It hardly matters what we believe or what we want to believe, for the man in charge, President Barack Obama, truly believes it is his destiny to become ruler of the world and to be the Muslim Mahdi—whose mission is to save and raise Islam by exterminating Jews and Christians.

Look at the photo-set at the beginning of Report 2—Obama sits ready to wear the Muslim/Mahdi-crown he is holding on his lap. He brashly tweeted this “tell-all” picture-message to the Muslim World from the White House! This is not a ‘make believe’ Photo Shop scene; it comes directly from the White House twitter account! The Mahdi crown, crossbow, and sword-throne he sits upon are a symbolic of his intentions: to lead a Muslim/Globalist take-over of America. The tweet was clearly an invitation to join Obama’s Muslim/Jihadist quest. The following post is a gruesome reminder of what that might entail: a fatwa was issued by ISIS in 2014 which actually sanctions the harvesting of organs from infidels dead or alive! <https://www.rt.com/news/327078-isis-captives-organs-harvesting/>

Read or skim the two Trojan Presidency Reports, and then Act immediately for there is little time to stop this madness.

My best guess is that the President will spring his “end game” this coming Jewish and Christian holiday season--as soon December 21<sup>nd</sup> 2015 through January 2<sup>nd</sup> (or at the latest, prior to 2016 elections). Once Obama & CIA pull the trigger’ on the planned HAARP attack (with or without the NASA-Blue-Beam, or Dragon Rocket, CERN, or EMF nuclear components) there is no turning back, for one cannot stop a Tsunami! (or nuclear melt-down like Japan’s)

ACT NOW or never! We must stop this Madman, or lose ALL! (See the “Open Letter”) ~kwh

Report by Karen W. Harvey, September 1, 2015

## 1. New World Order Plan Staged to “take control of the World/USA”:

**Planet X/HAARP & CERN/Earth Continental Shift--a twisted ‘elitist’ global takeover is eminent.** It is cloaked in a ‘Planet-X’ close encounter. The “Illuminati”-Jesuits’ plan is to bring Bible prophecy of Armageddon to fruition as soon as September of 2015, by using the Earth herself as a weapon of mass destruction and confusion!

“I have attempted to connect the dots of internet news and information, along with technological advance, and am compelled out of love for Earth, Life and Humanity, to reveal findings of darkest of human intention. Please pay attention, for there is little time to sway this unconscionable plot”. ~ K.W. Harvey

**Background to the Illuminati Plot<sup>1</sup>.** Dr. Leuren Moret has researched and exposed a cyclic “build, loot, and destroy” *war on humanity*. This most tragic ongoing-coup has been feeding upon humanity since recorded history. It has been propagated by an ancient bloodline—a Babylonian/ Iranian-tribe & their secret Luciferian off-shoot order: the Jesuits. This ‘secret-society’ has clandestinely dominated civilization for centuries—it rears its ugly head today as an integrated-global-family of the self-proclaimed ‘elite’: (the illuminati/Skull & Bones Society/Masons-highest-order/Knights of Templar, Nazi- existentialists/New World Order/Rockefeller-Rothschild-Hapsburg families. The Jesuits have long standing ties with the Catholic Church, conquistadors, the British House of Windsor/Queen Elizabeth, the Italian mafia, and more recently with U.S. Presidents, Congressional & Cabinet membership, the Tri-Lateral Commission, Council on Foreign Relations, the U.S. military and CIA .

According to Moret, this many layered *self-serving* ‘Jesuit network’ is not a religion; it is a secret-warrior-society that has infiltrated and embedded itself at every level into the very fabric of ‘our’ society, government, military and courts. Today, they are the puppet-masters behind exploitive industries like big banking, oil, mining, nuclear, chemical, and genetic engineering/GMOs, as well as the interconnected pedophile/human trafficking/drug-money-laundering rings, and weapons & global rad-waste-trade<sup>2</sup>. (e.g. USEC, the US Enrichment Corporation).

They claim Shiva, the Great Destroyer, as their mascot<sup>3</sup>.—they topple governments, orchestrate wars, depressions, human genocide, and environmental ruin for their own selfish, enrichment...and astonishingly enough, they don't mind sacrificing their own underlings along with the rest of us. Their motto is, (and I quote George Bush, & the *Regan Mandate for Leadership*): “*by all means necessary*” (as recently orchestrated-natural disasters, 9-11 Twin Towers catastrophe, and the Rothschild-Hitler Jewish Genocide). The Rothschilds are the ‘elitist’/‘Jewish’/illuminati banking family in league with Hitler. [L. Moret interviews, footnote 1.]

**The ELITIST'-MASTER-PLAN.** I am absolutely convinced that the master plan is to lift the Earth's crust and simultaneously create a super-shift in the Earth's magnetic poles, so to move the continents. (Science heat-modeling shows the Earth magma under the crust has begun to shift--as it does cyclically every millennium just before an Earth magnetic-pole-shift.) The under-pinning purpose is two-fold: 1). To access resources, and destroy (or “soften” resistance) to their exploitive-harvesting of wealth, power and property. 2). To advance the Illuminati's “superior-race”/genocidal agenda. (See the NASA document on *Future Wars*)<sup>4</sup>.

**How is this Plan to be supposedly Manifested?** It involves a strategically timed combination of elements: **a).** A series of man-made super-disasters staged to take out the U.S. and affect the entire Earth. Disasters would be initiated by a HAARP/Frequency attack [Tesla-laser-beam(s)], and the CERN's cyclotron magnetic technology, and possibly U.S. Space-X Dragon Rockets. [See YouTube videos listed in footnote, & data chatter on the internet i.e. google Dates & “CERN”]. **b).** Blue Beam Project: a simulated, but super-real holographic Earth/sky/mind spectacle like none other! **c).** “Jade-Helm”—a military/Jesuit/Vatican coup, to usher in a global dictatorship/one-world-religion in the guise of Homeland Security & emergency response, and spiritual unity.

#### **a). Man-made disasters:**

1). **EMF/Nuclear event** — accidental or intended detonation of a nuclear bomb-device(s) 25 miles above the Earth (into the ionosphere). This would cause an electro-magnetic frequency-pulse that would fry electrical grids & circuits, computers, cell phones and machines & appliances causing them to come to a sudden mysterious demise. The entire US could be thrown into a ‘Dark-age’, with no vehicle transportation, communications, or electricity (except for those who had protection). An EMF event would setoff melt-downs & explosions at nuclear power plants—they need electricity to cool fuel rods.

2). **HAARP-laser/E-bomb(s)** would target and heat converging Atlantic Ocean-floor Earth plates, and perhaps others—this would effect a hydrogen explosion under the plates that would suddenly and dramatically heat & lift the Earth Crust, thus creating a super-Tsunami wave, (as in the catastrophes of Sumatra & Japan).

3). **CERN**. Simultaneously the CERN is scheduled (as early as Sept. 2015), to rev beyond acceleration thresholds—to smash & release gold particle protons, and create a magnetic force 100 x or more than that of Earth. All this supposedly in search of the “God particle”? There is speculation in the scientific community that this ultra-magnetic-smash could create a ‘black hole’—opening a “wormhole” or portal for nefarious purposes; one CERN scientist already disappeared, and associate students have mysteriously drowned. Did they know too much, &/or try to reveal a plot?

**b). Blue Beam Project**—news leaks describe operation BLUE BEAM as a fantastical “*Holographic*” *techno-movie-show*. The spectacle is to be an atmospheric enactment of an Armageddon/Rapture. Super-realistic-multi-dimensional “forms” are laser-projected to move across the Heavens and Earth. It was scripted to follow Bible prophecy—so to “Shock and Awe” Earthlings into submission to the New World Tyranny.

“*Aliens*”. One twist to the Biblical plot is a staged “alien-Invasion”. It is purportedly designed to set off defensive nukes to drive human populations to suicide, and genocide. (It is not unlikely that the elitist-Luciferians would be laughing... while gorging on GMO popcorn before super-sized 3D movie screens). In part or all, this diabolical theatre, exemplifies the ultimate definition of evil: taking pleasure in seeing and causing pain, especially in causing someone to hurt themselves or those they love. (A most wonderful super-twist would be to have benevolent ET’s come to the rescue).

“*Mind control*”—HAARP/Frequency technologies have been researched and developed specifically for control of the masses and military. Control can be achieved by projecting resonant frequencies of sound, and images into the mind. Most people have never seen a ghost, much less floating ‘ghost-remnants’ e.g. etheric ‘astral-plane’ “impressions” of what “once was”— (i.e. realistic images of floating body parts, dinosaurs, monsters, and ghouls). The fear factor alone would take out many unsuspecting souls and animals. The human defense would be, to know that it is all not real, like a dream—to just observe & be still breathing slowly

and deeply until the spook show was over—even if it lasted a few days. (Dr. L. Moret has had several encounters with HAARP frequency attacks, and recommends marijuana tea as an effective anti-dote and sleeper).

**c). “Jade-Helm”** is a multinational UN &/mercenary military deployment, to synch with Blue Beam, HAARP & CERN attacks. The Operation training was completed in southern states September 15<sup>th</sup>, 2015, under the guise of Homeland Security, and FEMA emergency training.

Jade-Helm internment facilities include chain-linked “camps” where coffins of plastic are staked stacked by the thousands, and hidden guillotines await. Several miles of military trucks have been seen and film-documented traveling on southern highways carrying huge rolls razor-wire. Other sightings were brand-new-white UN armored vehicles coming out of Alabama. Several southern Walmart stores are now closed and sport tunnel-complexes beneath; maps show they link with military tunnels. Are these tunnels to be bunkers &/or military storage facilities, or worse? You Tube videos show all this, plus remote U.S. military bases equipped with usual ground and air-force Op equipment, plus drones with uranium-release bombs, and bulldozers! Jade-Helm appears ready to force civil & state compliance, and silence opposition, in order to facilitate the take-over of the U.S.A and global governance.

**The big picture** says our Jaded President/Commander-in-Chief, Barack Obama is ready to take the *jaded-helm* of the ‘elitist’-toted “New World Order”: a One-World-Government/One-World-Religion—with Pope & ‘Presidential’ figurehead/puppets in charge. Behind the layers, lurk the upper echelons of secret-society/Jesuit-cult-rule. It appears that Lucifer himself is to be at the Helm. *[See the “Addendum”/documentation following this “Collection of Articles”-- entitled: “Trojan Presidency Report 2—Obama’s Jihad on America”*

**The geo-mechanics of HAARP-CERN Earth-shift EVENT.** Iron infused magma/rock mantle under the Earth crust would be attracted to the CERN’s super magnetic pull. CERN’s atmospheric release of highly charged particles would excite and greatly magnify the HAARP’s laser-heat-output (an uncontrollable laser/lightning storm could occur—as in the downfall of Atlantis Continent, according to some readings). With the Earth-crust-lift, a super-heated & magnetized magma-MANTLE WOULD BE FREE TO RUSH & FLOW TOWARD THE NEW MAGNETIC NORTH pole—the CERN cyclotron. The results: a sudden & dramatic polar-shift—continents and sea-floor

which float on the mantle's magma would be suddenly drawn & dragged northward. Global havoc would ensue. (See Edgar Casey's prediction related to CERN)<sup>5</sup>. The projected time of the Planet-X event was posted all over the internet—how convenient that the CERN experiment should coincide with an advertised Planet X encounter. (A 'perfect mask' or cover for the evil doers?).

## 2. **INTENDED and UNINTENDED(?) CONSEQUENCES**

would be global and multi-fold:

1. **Access to Antarctica's rich mineral deposits.** The Antarctic Continent would be shifted considerably northward (as far as Brazil, according to one model<sup>1</sup>). This would greatly accelerate melting and make the Antarctic mineable for the illuminati perpetrators who already have exclusive mineral rights.
2. **Access to North American Natural Resources** and take over the United States—How? By creating mayhem, and destroying infrastructure, national & local democratic government, and civilian resistance. Populations would be severely diminished, diseased & weakened..."softened" for the illuminati-elitist purposes. Vast areas of the nation would be truly thrown in 'dark-ages'—no electricity, no clean water supply or sanitation.
3. **Tsunamis.** Monster waves would arise out of the Atlantic and slam the Gulf, & Eastern seaboard of the USA, and elsewhere—taking out NYC and other cities and communities all along the eastern seaboard, possibly as far South as Florida, and as far inland as the Appalachian Mountains. The tsunami wave would tower 500 meters or more, and be more devastating than that of Fukushima Japan. (Impacts have been predicted by Edgar Casey, Merle Wolford, Dr. Patricia Green and others.)
4. **Nuclear plant melt downs.** Global radioactive contamination would likely be elicited by tsunamis, flooding, earthquakes, and possibly volcanic eruption.<sup>6</sup> U.S. East & West coast plants would be among those knocked out. Power outages, causing breaches of nuclear fuel-rod containment would likely ensue. Deadly radioactive materials would be explosively released into the sky, and leaked into oceans. This would be similar to the Japan's ongoing Fukushima 2011 tsunami/nuclear disaster. (Meltdowns were purposefully triggered by a clandestine HAARP off-shore event according to independent expert nuclear-geophysicist Dr. Leuren Moret.<sup>7</sup> Credits go to British Petroleum (owned by the Queen) and illuminati/Rothschild/Vatican-controlled CIA. The U.S. clandestine CIA branch was instated by G.W. Bush (a member of secret society: Skull and Bones/Knights of Templar/Illuminati—all Luciferian cults).

5. **Volcanic eruptions & fires** would be triggered world-wide by continental-Earth-plate shifts. All of life would be affected, if not extinguishing from the eruptions and their collateral-effects: blocked sunlight, extreme temperatures, diminished oxygen, acid rain, poisoned air (sulfurous-gases), & dramatic increases in CO, greenhouse and gases (CO<sub>2</sub> & methane). Acid rain would further disrupt the marine and freshwater environments dependent on relatively normal PH.
6. **Extreme weather events/global-climate-change.** Sudden shifts in weather patterns, extreme high and low temperatures, massive downpours, floods, droughts, tornados, & hurricanes (modeled up to 800MPH), massive wild-fires, possibly nuclear Winter.
7. **Historic Flooding of the Great Lakes and Mississippi River, U.S./global coastal areas.** A recent scientifically modeled map (a leaked Navy Intel map) shows a potential great flooding of the East and Gulf coastal areas, the Great Lakes basin and the Mississippi water way. The Great Lakes would become one lake.<sup>8</sup> <https://www.youtube.com/watch?v=zKsv9jgUzVc>
8. **Population Impacts: Historic Numbers of Deaths, Extinctions, & Migrations.** Human, animal and plant populations and communities would suffer severe reduction in numbers, if not extinction. This could be due to any of the above reasons in # 1-7, and combined effects—radiation poisoning, mutations, infertility, disease/pandemics, starvation, contaminated air, food, water and soils. Severe changes in global weather would also be a major challenge to life. This is genocidal strategy is a carry-over from Hitler & beyond his time.
9. **Collapse of the Earth's Life support System.** The end of a Living Planet is not out of the question. All of Life as we know it is dependent on Earth, and is inter-dependent. In order to survive and thrive, life requires clean air, pure water, clean soil, and tolerable temperatures. A global 'die-off' would release enormous amounts of the highly potent green-house-gas, methane, from rotting animal flesh and plant, and phytoplankton decay—this would no doubt effect global climate change: weather events, sea levels & homelands.

**PLANET X/Nibiru News:** "Wow... it is refreshing to have this information finally going more mainstream. News coming from the western media has been mostly 'subliminal'... in bits and pieces.... the Russians are much more forthright on this matter that affects the entire world... in the West, those in the know are preparing to use the Nibiru event, to take over the world... but they won't & cannot succeed" [ *Russian TV shows NIBIRU PLANET X – RUSSIA DOESN'T HIDE IT (Aug. 2015). ## 5. EARTH GEOLOGY & VOLCANOES & EARTH QUAKES:

### Earth Crust Plates

<http://www.enchantedlearning.com/subjects/astronomy/planets/earth/Inside.shtml>.

*Please note: this simplified version of Earth-plate geology was chosen because of its easy to read images and summary of various aspects of Earth. It is understood from more technical documents, that there may be 'oceans worth' of rock-trapped water-capsules trapped in the Earth's crust, also that the crust does contain iron (between 5 and 10% iron contrary to the above linked-report).*

### Earth Has Shifted, Sky has Changed

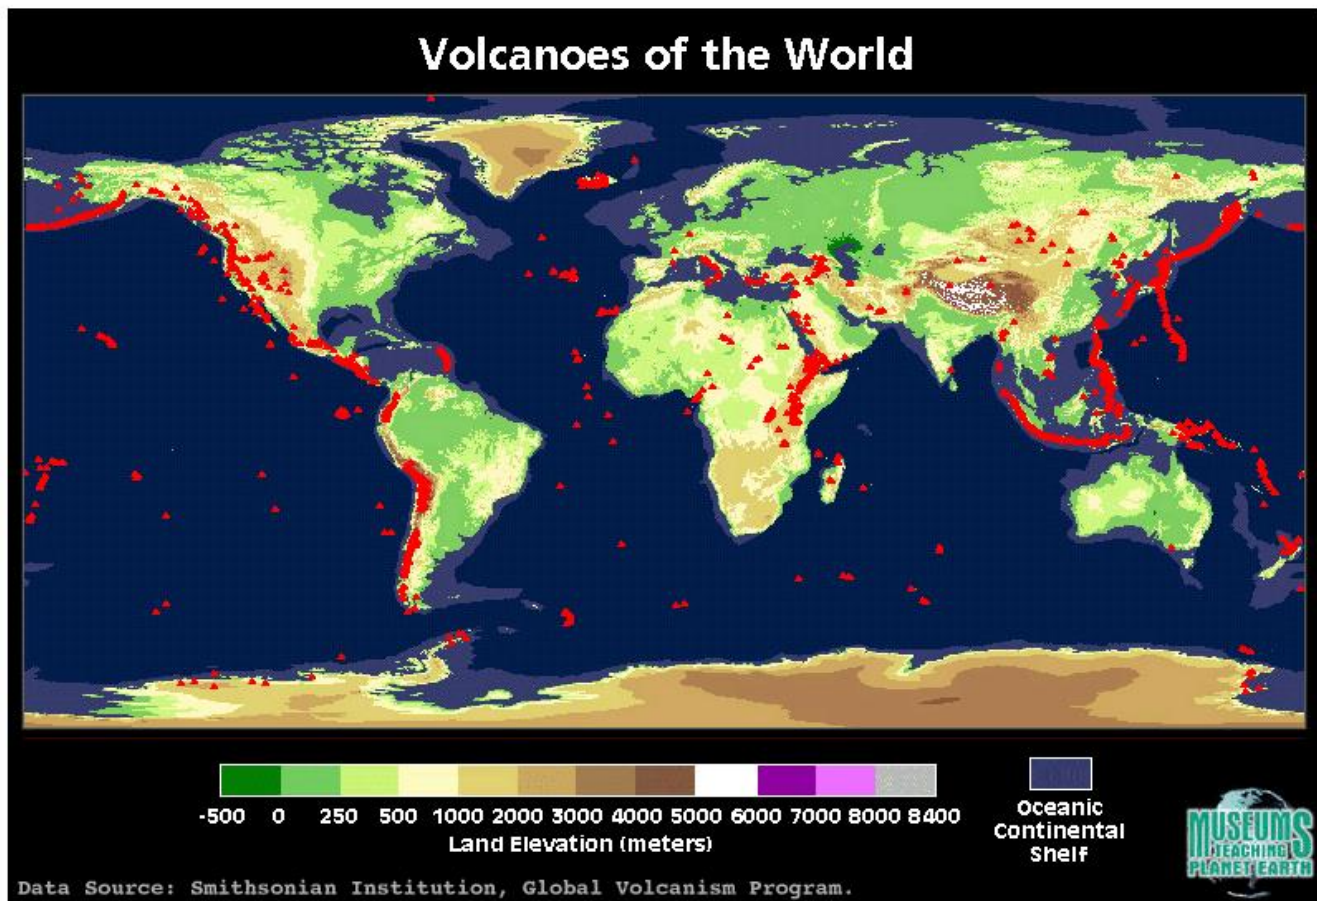

<http://www.enchantedlearning.com/subjects/astronomy/planets/earth/Inside.shtml>

### Volcanoes

**A map showing the distribution of volcanic structures on the Earth's surface**

**The map shows the location of active, inactive, and extinct volcanoes throughout the world.**

Each individual volcano is shown as a single, red triangle. In many places in the world there are so many volcanoes in a small area that they appear on this map as a cluster instead of individual triangles. Although some volcanoes are extinct or have not erupted in recent times, these areas still may exhibit tectonic activity as the magma below (or the crustal plates) shift in geologic time. Generally, **there is a strong relationship between where the volcanoes are, and where tectonic activity occurs on Earth.**

 According to scientists, if the Earth were not protected from the sun's deadly radiation, the Earth's atmosphere would dissipate—they postulate, that is what happened to mars.

**The VATICAN is one of the two entities that controls CERN.**

CERN has already damaged the Earth's solar shield, yet they intend to Rev it up, beyond its known capacity this September, 2015.

Another Cern impact has been a disturbance in the northern lights—instead of the normal green some regions are experiencing red lights.

There is evidence that CERN is as contributing to global warming

Yesterday defendants Pope Francis Bergoglio, Catholic Jesuit Superior General Adolfo Pachon and Archbishop of Canterbury Justin Welby were found guilty of rape, torture, murder and trafficking of children. Five judges of the International Common Law Court of Justice in Brussels determined that the crimes occurred as recently as 2010. Since last March **over 48 eyewitnesses** have come forward to testify before this ICLCJ Court about the defendants' activities as members of the Ninth Circle Satanic Child Sacrifice Cult.

The Ninth Circle Satanic Cult was said to do child sacrifices at Roman Catholic cathedrals in Montreal, New York, Rome, Scotland, London, Carnarvon Castle in Wales, an undisclosed French Chateau in Holland and at Canadian Catholic and Anglican Indian residential schools in Kamloops, British Columbia

## 10. BLUE BEAM PROJECT

Pope & Obama Come NOT To the Rescue, But To Reap, & Rule, and SLAUGHTER!

<http://www.shifffrequency.com/new-world-order-blue-beam-project/>

# What Is The Blue Beam Project?

**David Openheimer** – It involves two things. A technologically simulated “second coming” and the re-emergence of new “MONTAUK” type projects that have the ability to take up a whole bunch of people as in a “rapture” type of situation & whisk the whole bunch into never-never land.

Ironically, portions of the holographic projections have the potential for changing the planet into oneness with God. Unfortunately, this operates on the premise that Man shall somehow become God in human form and control other Men and dictate all actions and thoughts.

The calculated resistance to the new religion, the New World Order and the new “Messiah” will entail human loss on a massive scale in the ensuing “holy wars”. The “BLUE BEAM PROJECT” will pretend to be the universal fulfillment of the prophecies of old; as major an event as that which took place 2000 years ago. In principle, it will make use of the sky as a holographic projection screen for space-based laser-generating satellites (star wars). These projectors will project simultaneous images to the four corners of the planet, in every language by region.

It deals with the religious aspect of the NEW WORLD ORDER.

The “system” has already been tested. Holographic projections of the “CHRIST IMAGE” have already been seen in some remote desert areas. These have only been reported in tabloid papers, so they are instantly rendered moot. They can also project images of alien craft, aliens, monsters, angels – you name it. Computers will coordinate the satellites and software will run the show-and-tell.<sup>1</sup>

Holography is based on very nearly identical signals combining to produce an image, or hologram, with depth perception. This is equally applicable to acoustic (ELF, VLF, LF) waves as it is to optical phenomena.

Specifically, the “show” will consist of laser projections of multiple holographic images to different parts of the planet, each receiving different images according to the predominating regional religious faith. Not a single area will be excluded. With computer animation and sound effects appearing to come from the depths of space, astonished followers of the various creeds will witness their own returned Messiah in spectacularly convincing lifelike realness.

The various images of Christ, Mohammed, Buddha, Krishna, etc., will merge into ONE after “correct explanation” of the mysteries, prophecies and revelations are disclosed.

This “ONE GOD” will in fact function as the “Anti-Christ” who will “explain” that the various scriptures “have been misunderstood”- that the religious of old are responsible for turning brother against brother, nation against nation – that the religions of the world must be abolished to make way for the GOLDEN AGE (NEW AGE) of the One World Religion, representing the One God they see before them.

Naturally, this superbly staged, full-scale production will result in social and religious disorder on a massive scale. Wonder what the television transmitters of religious networks will be doing on that day ?

But before this, they have to go through four different steps in order to get to Project Blue Beam.

## **1: The first step concerns the breakdown of all archeological knowledge**

It deals with staging earthquakes at certain precise locations around the planet where supposed new “discoveries” will finally explain (for them) that the meanings of the basic doctrines of all the world’s major religions are “wrong.”

This falsification will be used to make the population believe that all religious doctrine has been misunderstood and misinterpreted. The falsification started with the film 2001: A Space Odyssey, the TV-series STAR TREK, the STAR WARS films, E.T., all of which deal with space “invasion” and “protection”. JURASSIC PARK, was to push the theory of evolution.

## **2: The second step deals with the gigantic space show**

3D optical holograms and sounds, laser projections of multiple holographic images in different parts of the world, each receiving a different image, according to its predetermined original national religious faith. This new “god” image will talk in all languages.

As an example, the Soviets (actual Russians) have manufactured the advanced computers and have programmed them with the minute psychological particles based upon their studies of the anatomy and biology of the human body, as well as their studies on the anatomy, chemistry and electricity of the human brain. These computers have also been fed with the different languages of the world.

### **3: The third step deals with telepathic electronic two-way communication**

ELF (Extra Low Frequency), VLF (Very Low Frequency), and LF (Low Frequency) waves will reach the people of the earth through the insides of their brains, making each person believe that his own God is speaking to him from within his own soul.

Such rays, from satellite, are fed from the memory of computers that store much data about the human being and his languages. These rays will then interlace and interweave with the natural thinking processes to form what we call the ARTIFICIAL TALK.

### **4: The fourth step involves universal supernatural manifestations using electronic means**

This step contains three different orientations:

The first one is to make mankind believe that an alien invasion is about to occur upon every major city on the earth. This is to push each major nation into using its nuclear capability to strike back. In this manner, it would put each of these nations in a state of full disarmament before the United Nations after the false attack.

The second is to make the “Christian” believe that a major rapture is occurring, with a simple “played” divine intervention of an alleged “good” alien force coming to save the good people from a brutal satanic attack. Its goal is to get rid of all significant opposition to the NEW WORLD ORDER. 2.(See also: [Prophecy Christian and Muslim Revelations—NWO commitment to eliminating Christians and Jews](#))

## Hundreds Of Miles Of Razor Wire On Convoy Trucks - Will It Be Used To Divide Colorado For Reconquista Or FEMA Camps For Those Who Rebel Against What's Coming?

By Stefan Stanford - All News Pipeline - Live Free Or Die

The United States Veterans noticed it 1st, several of them pointing out the hundreds and hundreds of miles of Concertina razor wire seen in the 2nd image above and 2nd, outstanding video below from the Fugazi Report, at the 4:03 mark showing a military convoy for "Raider Focus" in Colorado in the now viral video also featuring Blue Bell Ice Cream trucks. "Let me get this straight...they're going to lay down THAT MUCH Concertina razor wire 'just practicing' to detain people..Yeah, sure.." one commenter says as the convoy heads towards Pinon Canyon, Colorado. The 1st video below has outstanding exclusive footage of Raider Focus in Colorado from Alex Ansary, a full bore 10 1/2 minute video in which Alex shows us what's REALLY happening in the Pinon Canyon, Colorado area.

The federal government and US Military are clearly preparing for something huge in this country with a coming [financial](#) collapse now clear; are the hundreds and hundreds of miles of Concertina razor wire going to be used to finally set up a border between Mexico and America, while dividing Colorado and part of America in half as hoped by the Aztlan movement in their bid to retake America or will it be used to help keep Americans 'in camps' who don't go along with 'the program'?

According to one US Veteran, Concertina razor wire is used to create barriers; roadblocks, obstacles, checkpoints and defensive ops. It's not specifically designed to slice people but to grab clothing in case someone attempts to breach the wire. They've got an awful lot of it now down in Colorado and Pinon Canyon, where the residents have no trust nor love for the government anyways, and now they may be seeing this. Lot's of it. Why? Much more below including the SQAAlert [reporting](#) chopper activity in Utah, FEMA in the area and fences going up with many more pictures of a Colorado military convoy and what part of America THE Aztlan hope to take back, possibly via civil war, in which Russia may arm them against America.

*I have unconfirmed reports second hand coming out of Price Utah, of MRAPS with FEMA insignia, Humvee's and more moving into the area and a rumor of a desert camp somewhere between Green River Utah and Grand Junction Colorado with fences.*

Steve,

*Sighting report for Roosevelt, Vernal Utah area. I've contacted you before concerning Skin Walker Ranch so I hope you remember who I am. Things are ratcheting up Hawk and Steve. It's now a daily occurrence. Started slowly in Feb. 2015. Chinook over flight of oil and gas fields south of Vernal and Roosevelt, from east to west, midday. I was standing on a 20' production tank and they went over my head about 15'. Five F-16's couple weeks later low and slow over oil and gas patch south of Vernal and Roosevelt, west to east. So low in fact I could see the pilot looking at me. So many high altitude over flights I have lost track but many fast mover over flights between Feb. and May, B1's and B52's*

Obama's Throne of Satan

Obama chose to give a “New World Order” speech in Germany and visit the *Pergamon Alter*, in the Pergamon Museum. Shortly after returning to the U.S. he had a replica of the alter built. He used it to ‘stage’ his speech at the Democratic National Convention in, 2012, and used the ‘Bronco’ Stadium symbolism in 2008 National Nominating Convention which featured a white Arabian stallion as its mascot. The alter is reminiscent of the alter replica Adolf Hitler had built in Nuremberg, where he held rallies and gave his most rousing New World Order speeches. The Greco-Roman alter, has its ‘religious roots’ in an ancient Babylonian-sun worship/fertility pagan cult which was perverted into the worship of a ‘fallen angel’/god of the under-world, Apollyon/Zeus. Hitler had ordered the altar’s excavation and transfer to Berlin where today it is on display in the Pergamon Museum (shown above). The alter was originally built in *Turkey*, the prophesized birth place of the Mahdi (the Muslim Messiah/Biblical anti-Christ.).

## Democratic Convention 2008 At the Bronco Stadium in Denver, Colorado USA

Obama's goal: to the Mahadi

<http://islamicantichrist2016.com/obama-his-logo-white-horse-the-pergamum-altar/>

## The Mahdi – the Rider on the White Horse of Revelation 6:2

The Denver 'Bronco's' stadium mascot is a white Arabian Horse, named Thunder.  
The name Barak means 'Lighting' in Hebrew and Greek.

There is a well-known story about Prophet Muhammad. This story tells that in the year 621, Prophet Muhammad flew to heaven on the magical winged-horse of fire which he called Barak.

**Note:** Obama is indeed riding a "white-horse", the United States. America was colonized by "white" Pilgrims, who established the United States, and governed as a "white democracy", for most of the nation's years to date. The United States is Obama's vehicle, his ride--for what he sees as his Mahdi destiny...ruler of the world/New World Order. For more in-depth name inferences see:

## CONSCIOUSLY ENLIGHTENED

IN A WORLD OF CONFUSION, CHOOSE KNOWLEDGE OVER NOISE.

### **SURVIVAL:**

I personally believe that prophecy **does not** preclude the possibility of avoiding an 'Apocalypse/Armageddon'—nor "turning things around". The prophecies were told, not only to alert humankind, but to give us choice either to: 1). allow global destruction, or 2). To stop the perpetrators, and Collectively & Peacefully strive to uplift of All humankind & living Earth. I like many, choose beauty and a healthy world of peace & global abundance for all of Humankind and all species. According to master-psychic-mediums, there are possible futures, probable futures and crystalized futures—I believe that crystalized futures are not crystalized until they happen. The looming carnage can be stopped... ~ Karen W. Harvey

**Planetary SURVIVAL and Diversity Depends on STOPPING HARMS BEFORE they can Happen!** It is imperative that we STOP 1). the institution of the Elitist/Muslim/Vatican "NEW WORLD ORDER"/global take-over of nations, 2). 'UN Agenda 21' and Agenda 2030'eugenics-genocide plans : "JADE-HELM"/ Jihad: a).the BLUE BEAM Project, b). CERN , c). HAARP, d). Any EMF & Nuclear Events, and e). Syrian/Muslim refugee-immigrant import & terrorism--BEFORE they spring !

**Vital Dates to watch:** *Jade-Helm* military actions and martial law, (cloaked as 'emergency- response) are planned to be triggered by a 'natural disaster(s)' created "super-natural –disasters., like super-Tsunami's created by a synched HAARP /CERN clandestine attack . Dates to watch would be Jewish & Christian major holidays & big national or cultural events, and astronomical events such as predicted asteroid & planet X encounters. The CERN calendar has been removed from the internet.

**Meanwhile, at CERN** cavalier Scientists' are preparing to fire-up the CERN particle collider to its highest energy levels yet, this time using lead and gold. In their quest to unlock the mystery of the 'god- particle' and 'dark-matter' they are putting aside stark warnings: 1). 'Demonic appearances' and human disappearances have been associated with CERN's operation. 2). There is strong scientific proof that CERN operations are negatively affecting the Earth's protective-magnetic shield & ionosphere. 3). The Planet's foremost nuclear/astral-physicists warn that the particle-smashing could unleash an "uncontrollable" energy reaction s—such as a big bang or black hole, capable of destroying the Earth or universe!!! CERN scientists have already created mini-black holes , but were "not able to sustain them". We must sound the alarm and cut the purse-and strings. Who or what on Earth gives them the right to gamble with our beautiful Planet and all of Life?!

Perhaps destruction IS the hidden objective. This is hardly out of the realm of possibility as CERN scientists are part of Luciferian-society—headed by the world's first Jesuit/Luciferian -Pope. CERNs corporate logo uses a 666 design. Its mascot" is embodied in a large bronze statue of the Hindu-goddess Shiva , "**Destroyer of Universes**"! Bronze Shiva is blatantly doing her "destroyer" dance outside the playa-entrance of CERN's Swiss compound-headquarters.

**Obama chose to rename himself Barack (meaning "lightening")**—No doubt, the symbolism was intentional since he has used other symbolic themes related to the Muslim prophesized "World-Ruler"/warrior-Messiah, the Mahdi. Obama is indeed the wielder of lightening—for he commands the great-destroyer-HAARP: the secret frequency weapon that releases 'monster' bolts of lightning-like energy that "creates massive destruction and death! Also, Obama is affiliated with CERN, and CERN's Swiss-CIA headquarters; (the clandestine CIA that George W. bush created?). Obama and his father both worked for the CIA. No doubt Obama is pursuing the role, and goals of Mahdi: warrior-rider on the white 'horse' in Biblical/Muslim prophecy.

**WE CAN WILL & MUST HAULT the SATANIC AGENDA. STOP Obama,** and the Elitist/UN/New World Order/Luciferian-Eugenics Agendas. Stop CIA Earth-Weapons attacks & Wars—for all time.

It is imperative that Citizens and Nations of the Global Community, **IMMEDIATELY STOP & OUTLAW:**

- 1).** CERN, HAARP, rocket-nuclear/EMF attacks, and NASA's BLUE BEAM Project.
- 2).** All terrorist Jihadi/Muslim/War & weapons funding and trafficking, and the funding and facilitation of Syrian-Muslim immigration immediately!
- 3).** Immediately indict charge, and incarcerate the terrorist/war perpetrators and isolate them and their families and society for good—allowing no outside communications
- 4).** Indict & Neutralize the Luciferian 'secret societies' & their bloodlines—they have plagued the Earth century upon century committing heinous genocidal acts against humanity while waging and perpetrating WARS for their own enrichment, and destroying societies, culture with abandon. They are not worthy of being upon this beautiful Planet EARTH. Ship their heartless remains to the Sun!

The POWER of good IS more powerful than evil. "Yes WE CAN"!!! May Good Peaceful People of the Earth BE FOREVER BLESSED, and Protected by the **Holy Spirit of Our Creator.** ~ Karen W. Harvey
